After January: Kazakhstan's Journey Through Identity and Geopolitics Nygmet Ibadildin, Dinara Pisareva, Nurmakhan Tastaibek, 2025-09-30 This book explores how Kazakhstan has navigated its identity and geopolitical relationships since the January 2022 protests and the Russian Ukrainian crisis What began as a study of Soviet legacy in Kazakhstan shifted focus when major events in 2022 altered the country's internal politics and regional standing We trace Kazakhstan's complex history with Russia from the incorporation of Kazakh nomadic territories into the Russian Empire through the Soviet era to today's complex relationship The Soviet policies of collectivization and sedentarization dramatically transformed traditional Kazakh society with devastating consequences like the Asharshylyk famine that continue to shape national memory and identity The book examines Kazakhstan's development under Presidents Nazarbayev and Tokayev looking at how their social contract prioritized economic growth and stability over political freedoms We provide a detailed look at the January 2022 protests their aftermath and Tokayev's subsequent reform agenda aimed at political modernization In the shadow of the Russian Ukrainian crisis we show how Kazakhstan walks a diplomatic tightrope maintaining necessary ties with Russia while avoiding Western sanctions and developing new partnerships especially with Turkic states Using postcolonial theory we analyze how historical power dynamics continue to influence Kazakhstan's search for identity and place in the world Through five chapters we offer readers a window into Kazakhstan's evolving sense of self its changing relationships with global powers and the potential for Pan Turkism to provide a complementary alliance to Russian dominated regional frameworks

Kazakhstan's Assassinated Democracy Yerzhan Dosmukhamedov, 2013-02 Kazakhstan's Assassinated Democracy describes how the highest levels of government in Kazakhstan are attempting to suppress the country's genuine democratization particularly through the case of a political party Atameken It is based on extensive interviews with Dr Yerzhan K Dosmukhamedov Chairman of the Atameken Party These interviews and articles most of which were originally published in Kazakh or Russian have created quite a public stir in Kazakhstan Dr Dosmukhamedov analyses problems in building a civic society in the country key political events major issues of domestic and foreign policy and the objective and subjective influences affecting the deep historical process currently underway in the country nothing less than the transformation of relationships between the state and the person Kazakhstan's Assassinated Democracy is directed to a broad range of readers and is intended for anyone interested in the future of Kazakhstan the development of political parties and the forces holding back democracy in that country a c

Kazakhstan's Defense Policy Roger N. McDermott, 2009 Understanding the problems challenges and continued failings of the defense leadership in Kazakhstan involves first appreciating how limited its military reforms have proven in practical terms Akhmetov

was reportedly shocked in the early part of his tenure to discover how poorly trained disciplined and often corrupt Kazakhstan's armed forces remain despite several years of the state talking up military reform. Although corruption is something of a sine qua non in the region it is particularly crucial to recognize its debilitating effect on efforts to reform the armed forces. This will persist as an obstacle to achieving progress in successfully implementing military reform for the foreseeable future. Also despite Kazakhstan's closer relations with Western militaries it has in real terms deepened and strengthened its ties with Russia.

Democracy and Pluralism in Muslim Eurasia Yaacov Ro'i, 2004-11-23 This book is devoted to the study and analysis of the prospects for democracy among the Muslim ethnicities of the Commonwealth of Independent States CIS both those that have acquired full independence and those remaining within the Russian Federation. The nineteen Western academics and scholars from the Muslim countries and regions of the CIS who contribute to this volume view the establishment of democratic institutions in this region in the context of a wide and complex range of influences above all the Russian Soviet political legacy native ethnic political culture and tradition the Islamic faith and the growing polarity between Western civilization and the Muslim world.

Civil-Military Relations in the Soviet and Yugoslav Successor States Constantine P. Danopoulos, 2019-03-07 From open civil war in Bosnia and Georgia to the Russian president's use of military units against an uncooperative parliament civil military conflicts in the former USSR and Yugoslavia are increasingly attracting world wide attention and concern. This volume brings together fourteen essays that explore the roles of the armed forces in the ongoing struggles for control over the processes of state formation and government in these newly independent countries. Twelve chapters focus on the experiences of particular countries in the region and introductory and concluding chapters draw out commonalities and differences among the cases comparing them with one another as well as with post authoritarian regimes elsewhere in the world.

Popular Geopolitics and Nation Branding in the Post-Soviet Realm Robert A. Saunders, 2016-07-07 This seminal book explores the complex relationship between popular geopolitics and nation branding among the Newly Independent States of Eurasia and their combined role in shaping contemporary national image and statecraft within and beyond the region. It provides critical perspectives on international relations nationalism and national identity through the use of innovative approaches focusing on popular culture new media public diplomacy and alternative narrators of the nation. By positing popular geopolitics and nation branding as contentious forces and complementary flows the study explores the tensions and elisions between national self image and external perceptions of the nation and how this complex interplay has become integral to contemporary global affairs.
