Hartley III,2021-02-01 Heart fire is the invigorating feeling that ignites inside you when you encounter the reality the reality of the living God and the reality of who you are meant to be But fire is more than a feeling much more When the fire inside God touches something inside you the effect is spontaneous combustion God actually made your heart to be a flame holder of his presence The flow of fire into your heart is just as important as the flow of blood into your heart You can t live without blood and in reality you can t live without fire not really live Here s the good news it is not your job to set your heart on fire Fire is what God does not what you do Hearts on Fire is altering the course of history God wants to set your heart on fire and to make you a history shaper No one else can take your place You have a unique mission to fulfill May God spark revival fire in your heart today Hearts on Fire is not a book about revival it s a book of revival     Books in Print Supplement ,2002     The Burning Heart Contract Becky Tirabassi,2009-07-23 Throughout the course of our lives we sign contracts for just about everything car leases home loans credit cards There is something powerful about signing our name to a commitment It reflects our word our honor our willing obligation In The Burning Heart Contract Becky Tirabassi challenges us to commit to God more concretely by actu more ally constructing and signing a contract with Him for a 21 day challenge that the author is convinced will set our hearts on fire and ignite a passion within us to live love work explore and create on levels beyond our comprehension Such an agreement
