

One Step Closer Why U2 Matters To Those Seeking God

G Thomas

One Step Closer Why U2 Matters To Those Seeking God:

One Step Closer Christian Scharen, 2014-05-14 In this thoughtful look at Bono the driving force behind the Irish rock band U2 Scharen shows how the band members are marked by the Christian faith of their backgrounds and explores the band s music s honest spiritual questioning One Step Closer Christian Scharen, 2006-04-01 U2 is widely hailed as the greatest rock and roll band in the world and lead singer Bono is often seen in the media touting humanitarian goals Now Christian Scharen provides a thoughtful look at the driving force behind the band Bono and other band members are marked by the Christian faith of their Irish backgrounds Scharen reflects on how U2 fits within the longer Christian tradition of voices that point us to the cross to Jesus and to the power of God's ways in the world as he explores the music's honest spiritual questioning Music lovers pastors and anyone on the path to God will value this book The World and U2 Alan McPherson, 2015-06-04 The Irish rock band U2 and especially its frontman Bono are among the most effective activists ever U2 has convinced wealthy governments to forgive tens of billions of dollars in loans while spreading its activist messages to billions of people helping save millions of lives So how did four boys from one of the poorest countries in the West achieve this Who and what influenced them What strategies did they use to succeed as much as they did as activists and how did those strategies change over time In particular how did lead singer Bono make the leap into superstar lobbying And with so much attention on him how has he handled critics who have taken to task his work on behalf of developing countries In The World and U2 One Band's Remaking of Global Activism Alan McPherson trains a historian's eye on the evolution and influence of the band's activism from its formation in 1976 to its most recent album and concert tour Throughout its nearly four decades the band has held up a mirror to the increasing selfishness in the world while at the same time working to fill the void left by those who have abandoned the world's poor to their plight From raising awareness about war and human rights in the 1980s to engaging in direct action in the 1990s to moving mountains of cash for the planet's poorest in the twenty first century the band and especially Bono have both raised the bar and set the example for other celebrity activists But it is also a success that has brought a greater scrutiny to bear on U2 s activism and initiated a healthy debate about the merits of Western development aid The World and U2 One Band's Remaking of Global Activism tells this story of U2 s successful storming of the world's philanthropic stage It will enchant the band's fans engage its critics and offer lessons and warnings to activists seeking to change things for the better U2 and the Religious Impulse Scott Calhoun, 2018-02-08 U2 and the Religious Impulse examines indications in U2 s music and performances that the band work at conscious and subconscious levels as artists who focus on matters of the spirit religious traditions and a life guided by both belief and doubt U2 is known for a career of stirring songs landmark performances and for its interest in connecting with fans to reach a higher power to accomplish greater purposes Its success as a rock band is unparalleled in the history of rock n roll's greatest acts In addition to all the thrills one would expect from entertainers at this level U2 surprises many listeners who examine its

lyrics and concert themes by having a depth of interest in matters of human existence more typically found in literature philosophy and theology The multi disciplinary perspectives presented here account for the durability of U2 s art and offer informed explanations as to why many fans of popular music who seek a connection with a higher power find U2 to be a kindred spirit This study will be of interest to scholars and students of religious studies and musicology interested in religion and popular music as well as religion and popular culture more broadly Exploring U2 Scott D. Calhoun, 2012 Exploring U2 Is This Rock n Roll features new writing in the growing field of U2 studies In keeping with U2 s own efforts to remove barriers that have long prevented dialogue for understanding and improving the human experience this collection of essays covers such disciplines as literature music philosophy and theology U2 and Philosophy Mark A. Wrathall, 2012-03-30 Is it possible to be a committed Christian and a rock superstar Can political activists make good music Do hugely successful rock bands really care about AIDS and poverty in Africa or is it just another image enhancing schtick U2 and Philosophy ponders these and other seeming dichotomies in the career of the Irish supergroup For over two decades U2 has been one of the biggest acts in rock music They ve produced over a dozen platinum and multiplatinum records and won 15 Grammy Awards Critics everywhere have praised the band's thoughtful complex lyrics and the artistry of their music At the same time Bono the group's lead singer has dedicated himself to political and social causes blurring the line between rock star and respected statesman Offering fresh insight into the band's music and activism these thought provoking essays allows fans to discover philosophy through the eyes of U2 and rediscover U2 through the eyes of philosophers The Rock Music Imagination Robert McParland, 2019-08-09 The Rock Music Imagination is an exploration of rock artists in their social and artistic contexts particularly between 1964 and 1980 and of rock music in relation to literature that is creative expression fantastic imagination and contemporary fiction about rock Robert McParland analyzes how rock music touches our imaginative lives by looking at themes that appear in classic rock music freedom and liberation utopia and dystopia community rebellion the outsider the quest for transcendence monstrosity erotic and spiritual love imaginative vision and mystery The Rock Music Imagination explores blues imagination countercultural dreams of utopia rock s critiques of society and images of dystopia rock s inheritance from romanticism science fiction and mythic imagination in progressive rock and rock s global reach and potential to provide hope and humanitarian assistance **Resounding Truth ()** Jeremy S. Begbie, 2007-12-01 Christianity Today 2008 Book Award Theology Ethics Even fallen humans compose beautiful symphonies music that touches emotions as nothing else can Resounding Truth shows Christians how to uncover the Gospel message found in the many melodies that surround us Theologian and musician Jeremy Begbie believes our divinely inspired imagination reveals opportunity for sincere heartfelt praise With practical examples lucid explanations and an accessible bibliography this book will help music lovers discover how God's diversity shines through sound Begbie helps readers see the Master of Song and experience the harmony of heavenly hope The Worship Mall Bryan D. Spinks, 2011-02-01 Religion today is in competition with the leisure

and entertainment industries Gen Y the postmodern generation is open to spirituality but most of todays young adults have not been born into faith communities where they feel any lasting allegiance Studies suggest that for the young belief in God is an optional matter a virtual consumer choice As a result different trends in worship and worship styles are offered by different churches to suit lifestyles attitudes and personal taste **Evangelical Christians and Popular Culture Robert** H. Woods Jr., 2013-01-09 This three volume collection demonstrates the depth and breadth of evangelical Christians consumption critique and creation of popular culture and how evangelical Christians are both influenced by and influence mainstream popular culture covering comic books to movies to social media Evangelical Christians and Popular Culture Pop Goes the Gospel addresses the full spectrum of evangelical media and popular culture offerings even delving into lesser known forms of evangelical popular culture such as comic books video games and theme parks The chapters in this 3 volume work are written by over 50 authors who specialize in fields as diverse as history theology music psychology journalism film and television studies advertising and public relations Volume 1 examines film radio and television and the Internet Volume 2 covers literature music popular art and merchandise and Volume 3 discusses public figures popular press places and events The work is intended for a scholarly audience but presents material in a student friendly accessible manner Evangelical insiders will receive a fresh look at the wide variety of evangelical popular culture offerings many of which will be unknown while non evangelical readers will benefit from a comprehensive introduction to the subject matter **Each Other** Greg Garrett, 2009-07-08 Who among us has not experienced hearing a song that moved us deeply that spoke to us in a truly spiritual way Millions of fans around the world have found that inspiration in the music of U2 arguably the biggest band in the world today This engaging and informative book examines the spirituality that drives U2 a band whose influence has spread far beyond music and whose songs encourage listeners to put their faith into action for the sake of the poor and marginalized Ecumenism Means You, Too Steven R. Harmon, 2010-03-15 By all accounts the modern ecumenical movement is not moving much these days Despite dramatic breakthroughs in the past few decades the quest for a visibly united church in which there is common confession of the apostolic faith full Eucharistic communion and mutual recognition of members and ministers now meets with indifference by many impatience by some and outright hostility by others In part this is because the movement has not given enough attention to grassroots ecumenical engagement This book is written to convince ordinary Christians especially young Christian adults that they too have a stake in the future of the ecumenical movement as its most indispensable participants Ecumenism Means You Too draws on the music of Irish rock band U2 to cast artistic light on various aspects of the quest for Christian unity Whether one is a U2 fan or not and whether one thinks the ecumenical movement is a good thing or a bad thing for the church everyone who reads this book will learn something about the Christian theological framework apart from which neither the modern ecumenical movement nor the meaning of U2 s music can be understood The book includes an annotated bibliography of resources for ecumenical engagement and a

glossary of key ecumenical terms for readers who want to learn more about the Christian practice of seeking the unity of the church Broken Hallelujahs Christian Scharen, 2011-11 Following his successful book One Step Closer Scharen shows how to engage faith and culture through popular music including the blues hip hop and rock Music, Theology, and Justice Hyun-Ah Kim, Christina Labriola, Michael O'Connor, 2017-07-31 Music does not make itself It is made by people professionals and amateurs singers and instrumentalists composers and publishers performers and audiences entrepreneurs and consumers In turn making music shapes those who make it spiritually emotionally physically mentally socially politically economically for good or ill harming and healing This volume considers the social practice of music from a Christian point of view Using a variety of methodological perspectives the essays explore the ethical and doctrinal implications of music making The reflections are grouped according to the traditional threefold ministry of Christ prophet priest and shepherd the prophetic role of music as a means of articulating protest against injustice offering consolation and embodying a harmonious order the pastoral role of music creating and sustaining community building peace fostering harmony with the whole of creation and the priestly role of music in service of reconciliation and restoration for individuals and communities offering prayers of praise and intercession to God Using music in priestly prophetic and pastoral ways Christians pray for and rehearse the coming of God's kingdom whether in formal worship social protest concert performance interfaith sharing or peacebuilding Whereas temperance was of prime importance in relation to the ethics of music from antiquity to the early modern period justice has become central to contemporary debates This book seeks to contribute to those debates by means of Christian theological reflection on a wide range of musics including monastic chant death metal protest songs psalms and worship music punk rock musical drama interfaith choral singing Sting and Daft Punk With God on Our Side Steven Felix-Jager, 2017-01-11 Rock and roll is more than just music Rock is a culture and an ideology which carries its own ethos It is forcefully countercultural and exists as a bane in the sight of dominant Western culture As rock engages and critiques culture it invariably encounters issues of meaning that are existential and theological A transformational theology of rock begins with those existential and theological issues raised by and within rock music With God On Our Side attempts to respond to these queries in a way that is faithful to the work of the kingdom of God on earth by mining our long theological tradition and seeing what cohesive responses can be made to the issues raised by rock music At its best rock acknowledges there is something wrong with the world raises awareness of marginalized voices and offers an alternative mode of existence within our present reality By teasing out the theological issues found in rock music this book synthesizes the findings to create a distinctive cultural theology that is sensitive to the plight of the marginalized in the West In this way the book offers a way forward towards a transformational theology of rock and roll Rags of Light Brian J. Walsh, 2024-10-24 Creatively bringing the songs prayers and poetry of Leonard Cohen into conversation with Scripture this book deeply grounds Cohen s work in the landscape of the biblical imagination paying special attention to Jesus together with the prophetic and priestly

voices of Scripture What emerges is a compellingly lyrical work of theology that deepens our understanding of both Cohen and biblical faith Leonard Cohen has undoubtedly been a liturgist for our time a cantor singing for all those clothed in rags of light a prophet in the ruins and a priest who greets us from the other side of sorrow and despair **Becoming What We Sing** David Lemley, 2021-01-07 Contemporary worship music is ubiquitous in many Protestant Christian communities today Rather than debating or decrying this post worship wars reality David Lemley accepts it as a premise and examines what it means for us to be singing along with songs that aren t so different from the pop genre How do we cope with the consumerism embedded in the mentality that catchy is good How do we stay committed to subverting cultural norms as Christians are called to do when our music is modeled after those cultural norms How do we ensure that the way we participate in the liturgy of contemporary worship music rehearses a cruciform identity Becoming What We Sing draws on cultural criticism ethnomusicology and liturgical and sacramental theology to process the deluge of the contemporary in today s worship music Lemley probes the thought of historical figures such as Augustine Hildegard of Bingen Martin Luther and the Wesleys while also staying situated in the current moment by engaging with cultural philosophers such as James K A Smith and popular artists such as U2 The result is a thorough assessment of contemporary worship music s cultural economy that will guide readers toward greater consciousness of who we are becoming as we sing our way into selves societies and Encyclopedia of Contemporary Christian Music Don Cusic, 2009-11-12 The first comprehensive cosmic perspectives overview of contemporary inspirational music covering its historical roots and dramatic growth into one of America's most vital music genres The Encyclopedia of Contemporary Christian Music Pop Rock and Worship is the first comprehensive reference work on a form of American music that is far more popular than nonfans may realize It fills a major gap in the literature on American music and Christian culture looking at this increasingly popular genre in the context of the overall history of religious music in the United States With over 200 entries The Encyclopedia of Contemporary Christian Music covers important performers and industry figures songs and albums concerts and festivals the rise of Christian radio and television and other issues related to the growth of inspirational music Scholars and fans alike will find a wealth of revealing information and insightful coverage illustrating the influence of gospel on modern American music with musicians such as Elvis Sam Cooke Johnny Cash Bob Dylan and U2 The work also examines the use of fundamental rock pop and rap music templates in the service of songs of faith Christian Practical Wisdom Dorothy C. Bass ,Kathleen A. Cahalan ,Bonnie J. Miller-Mclemore James R. Nieman , Christian B. Scharen , 2016 In this richly collaborative work five distinguished scholars examine the oft neglected embodied practical wisdom that is essential for true theological understanding and faithful Christian living After first showing what Christian practical wisdom is and does in several real life situations the authors tell why such practical wisdom matters and how it operates exploring reasons behind its decline in both the academy and the church and setting forth constructive cases for its renewal **Religion Around Bono** Chad E. Seales, 2019-10-24 For many

U2 s Bono is an icon of both evangelical spirituality and secular moral activism In this book Chad E Seales examines the religious and spiritual culture that has built up around the rock star over the course of his career and considers how Bono engages with that religion in his music and in his activism Looking at Bono and his work within a wider critique of white American evangelicalism Seales traces Bono s career from his background in religious groups in the 1970s to his rise to stardom in the 1980s and his relationship with political and economic figures such as Jeffrey Sachs Bill Clinton and Jesse Helms In doing so Seales shows us a different Bono one who uses the spiritual meaning of church tradition to advocate for the promise that free markets and for profits will bring justice and freedom to the world's poor Engaging with scholarship in popular culture music religious studies race and economic development Seales makes the compelling case that neoliberal capitalism is a religion and that Bono is its best known celebrity revivalist Engagingly written and bitingly critical Religion Around Bono promises to transform our understanding of the rock star's career and advocacy Those interested in the intersection of rock music religion and activism will find Seales s study provocative and enlightening

Embracing the Track of Appearance: An Psychological Symphony within **One Step Closer Why U2 Matters To Those Seeking God**

In some sort of eaten by displays and the ceaseless chatter of fast transmission, the melodic elegance and emotional symphony produced by the prepared word often fade into the backdrop, eclipsed by the constant sound and distractions that permeate our lives. But, nestled within the pages of **One Step Closer Why U2 Matters To Those Seeking God** a marvelous literary treasure brimming with organic feelings, lies an immersive symphony waiting to be embraced. Constructed by an outstanding composer of language, this interesting masterpiece conducts readers on an emotional journey, well unraveling the concealed tunes and profound impact resonating within each carefully constructed phrase. Within the depths of this emotional examination, we will examine the book is main harmonies, analyze its enthralling publishing style, and submit ourselves to the profound resonance that echoes in the depths of readers souls.
