[Biblical Proofs for an Infallible Church and Papacy](#) Dave Armstrong, 2012-03-21 This volume consists entirely of materials posted on my website blog Biblical Evidence for Catholicism written between 1997 and 2011 several in direct response to Protestant queries or challenges I ve revised them in order to clarify the thoughts and to tighten up the arguments My goal is to defend and clarify what Catholics believe with regard to

ecclesiology or the doctrine of the Church including the papacy why we do and to demonstrate that Catholic beliefs are in harmony with Holy Scripture and the doctrines held by the early Church Protestants deny the infallibility of the Church and hold that Scripture alone is the only final infallible authority denying that characteristic to the Church and apostolic tradition and the papacy Therefore if Catholics can show that an infallible Church and papacy are squarely based on Scripture Protestants would be bound to those beliefs by their own rule of faith sola Scriptura My humble but ambitious aim is to demonstrate exactly that
