**Cumulated Index to the Books** ,1999 American Book Publishing Record, 2000 The Cumulative Book Index **Subject Guide to Books in Print**, 1996 Finding Reliable Information Online Leslie F. ,1999 Stebbins, 2015-09-16 We live in an information saturated environment and spend far too much time searching surfing skimming contributing and organizing the information in our lives We spend too little time immersing ourselves in reliable high quality information. We are often so buried in information and strapped for time that we grab information like it was fast food without bothering to evaluate its quality Finding Reliable Information Online Adventures of an Information Sleuth uses stories or information adventures to illustrate the best approaches to searching for information and to help us develop our aptitude for locating high quality resources in a rapidly changing digital environment that is becoming proficient at monopolizing our attention with useless or unreliable information This book is about taking charge of the search process and not handing over the reins to search engines like Google Bing or Yahoo to dictate what information we consume Each chapter focuses on a guest for different types of information while digging deeper into the complexities of finding credible places to look for information and ways to think about evaluating it As the Internet evolves and becomes more sophisticated our strategies for finding and evaluating information need to evolve as well The stories in this book range from investigating challenging research questions to exploring health issues and everyday life questions like finding a reliable restaurant or product review These chapters go beyond the simple and more mechanical checklist approach to evaluating information though these factors are also discussed Forthcoming Books Rose Arny, 2002-04 **Bowker's Guide to Characters in Fiction 2007** ,2008-02 The London Chronicle ,1813 Billboard, 1996-01-27 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard, 1997-07-05 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Racism Albert J. Wheeler, 2000 Of all mankinds vices racism is one of the most pervasive and stubborn Success in overcoming racism has been achieved from time to time but victories have been limited thus far because mankind has focused on personal economic gain or power grabs ignoring generosity of the soul This bibliography brings together the literature providing access by subject groupings as well as author and subject indexes Contents Racial Attitudes Racism and Poverty Hate Groups Racial Justice Racism and Politics Race Discrimination Racial Identity Racism Around the World
