## Online Purchase:

**A Study On Consumers Perception About Online Shopping In India** Seema Gopichand Hariramani, Online Shopping Intentions Anne Fota, 2022-05-13 In this book the drivers and barriers that motivate or inhibit consumers to participate in e commerce are investigated differentiating between the e commerce subareas of cross border e commerce voice commerce conversational commerce and rental commerce This specification is both scientifically and practically relevant as the different subareas of e commerce serve different consumer needs and motivations resulting in a diverse set of antecedents to form consumers online shopping intentions Both the respective literature reviews as well as the empirical results of six conducted research studies illustrate the relevance and ubiquity of the four subareas of e commerce in consumers everyday online shopping On the one hand the results represent an important basis for marketing and consumer research to support a better understanding of the behavioral psychological motives of consumers and better evaluate correlations in shopping behavior On the other hand practitioners benefit from the newly gained insights as online retailers in particular can use them to better adapt their offers to consumer needs and optimize consumers online shopping experience

*The new online trade* Gerrit Heinemann, 2023-03-30 This book presents developments and future trends in e commerce which is shaped by customers new digital communication and consumption patterns Gerrit Heinemann sheds light on e commerce business models channel excellence as well as success factors such as digital time advantages and customer centricity He analyzes the digital challenges and highlights the consequences and opportunities associated with online commerce Recognized best practices illustrate how successful digital commerce works and what the lessons learned of the past years are The 13th edition describes which new approaches will shape the future of online retail and which developments will remain long term issues While for example app and smartphone commerce including mobile payment continue to be long running issues the environmental issue is coming at online commerce with a concentrated charge This means that people s growing need for more sustainability and consideration for the environment has now also arrived in e commerce This work is therefore devoted to sustainable e commerce in the context of online logistics which runs counter to the new trend towards quick commerce The topics of climate neutrality and returns management are also increasingly coming into focus In addition current topics such as the marketplace theme and social commerce will be explored in greater depth Furthermore numerous new legal requirements are taken into account which place increased obligations on marketplace operators in particular The content Meta targeting and business ideas in online retailing Business model of online trade Forms of online trade Business systems and benchmarks in e commerce Best practices and risks in online retailing
