**SHARING** Some people think I don't like sharing but that isn't true at all. I love sharing. I mean what's not to love about being able to go up to someone and say, "Hey, can I have some of that candy?" And then they give you some. Or, "Can I ride your bike for a while?" And then you get to ride their bike. Sharing is awesome. Sometimes you have to be careful though. Like if someone comes up to me and says, "Can I have one of your cookies?" Well, if I gave them a cookie, then I might not have any cookies left to share with other people, and that would be like the opposite of sharing. So I have to say no. Because sharing is really important.

**SCOUT** Before we moved here, we had this big dog named Scout. Mom always said he was a total mutt, but I think he was also part collie. And maybe part golden retriever. But he was definitely at least half mutt. Scout was supposed to be the whole family's dog, but he was really mine. I mean, after school, it was me; he would be waiting for me. And when anyone threw his ball, I'm the one he always brought it back to. And at night, it was always my bed he slept in. But before we moved here, my Mom found out we weren't allowed to have any pets, so we had to give him away to my cousins. I don't really talk about it, but sometimes I dream about Scout. He's got his ball in his mouth, and he's looking for me. And I'm saying, "Here, Scout. I'm right here." But he doesn't hear me, and he can't see me, and I'm saying, "I'm right here, Scout. I'm right here." And then I don't know. I guess I wake up. I don't know if Scout dreams about me.

**UNIVERSE** I saw on the Discovery Channel, where a long time ago, before the beginning of time, the entire universe was as small as the head of a pin. And everything was inside it. Stars, planets, houses, people, cars, other pins. Everything in the universe. And then one day, this head of a pin just exploded, and everything came out at like a million degrees hot and a million miles an hour. And all the stars and planets and people and cars just kept getting bigger and bigger until they filled up all of space, and all of time just burning and melting and spinning. And as soon as I heard that, I knew that I was just like that pin, and that one day, I'm gonna explode too. And when I do, fire and stars and whole worlds will come out of me, and they'll be a million degrees hot, and they'll travel so far and so fast that I'll never have to come back here again. Not ever. Not ever.
