**Salvation Manual** Nsikan E. Johnny, 2024-08-01 Salvation Manual Bible Made Easy through Questions and Answers for the book of Matthew is one of several books in the Salvation Manual Bible Made Easy through Questions and Answers series. Like other books in the series, it adopts a questions and answers pattern in identifying and breaking down biblical truths in a way that will be easily understood and internalised. In a spectacular method of using questions and answers, it unravels every message event and character from all the chapters in the book of Matthew. The book consists of twenty-eight chapters, one for each chapter of the book of Matthew. The questions and answers are placed at the end of each chapter to assess the degree to which the reader understands the chapter read as well as how much of the details of the chapter they retained. The book makes the reader study every chapter of the book of Matthew in two directions: the forward and reverse directions. The chapter of the book of Matthew at the beginning of each chapter of this book is the first point of contact for the reader, which they have to read and understand what is contained in the chapter. After that are questions from the chapter and answers at the end of the questions with which the reader would test their knowledge of what they had read in that chapter. These questions and answers segment presents the reader with problems which points them back to the Bible for confirmation or further studies. The approach to Bible studies presented in this book is remarkable as it will take its reader a step above regular Bible reading to be fully grounded in the details of the events and messages in the scriptures. The book is a tool that can challenge one's knowledge of the scripture, serve as a Bible study guide, and reveal vital information that might have been overlooked or missed in the course of one's study of the scriptures.

**Disciple II Into the Word Into the World: Study Manual** Duane A. Ewers, 2010-09-01 The Disciple Into the Word Into the World Study Manual retains the familiar DISCIPLE format with its theme word, theme verse, statement of the human condition, daily and weekly assignments, and prayer for daily use. At some point in their study of every lesson, readers make decisions about how they will respond to Scripture in terms of ministry in the world. Each week, persons will be guided in experiencing the gift of Sabbath rest and renewal. Each member of the group needs a study manual and a Bible. The Bible is the text for the study, and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual research and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions, along with theme words and theme verses and major persons, events, and topics, will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. Commitment and Time Involved: 32-week study, Three and one-half to four hours of independent study each week, 40 minutes daily for leaders and 30 minutes daily for group members in preparation for weekly group meetings. Attendance at weekly 2.5-hour meetings. Disciple Into the Word Into the World is the second study in the four

phase Disciple program and is prepared for those who are graduates of Disciple Becoming Disciples Through Bible Study This study proclaims the transforming power of Scripture while teaching Bible study skills that take participants deeper into the Scripture The importance of keeping Bible study related to witness is reinforced while participants are encouraged to practice spiritual disciplines arising out of Scripture for the purpose of changing habits and transforming lives The study also emphasizes the rhythm of coming to God and going for God of being in the Word and in the world individually and corporately This study understands the growing Christian as under discipline in community and in ministry to the world Disciple Into the Word Into the World approaches all experiences of life as opportunities for faithful witness and service
