

Once Upon A Modern Time

Alex Jeffery

Once Upon A Modern Time:

Once Upon a Time Debbie Macomber, 2014-03-11 Argues that each individual's life is a never ending story and uses the elements of a story to show readers how to understand their lives better showcasing the big picture God writes in each person's story

Once Upon a Time Judy Freeman, 2007-10-30 Judy Freeman author of the Books Kids Will Sit Still For series gives practical how to tips on how to tell a story and write and stage a Reader's Theater script that gets children involved with creative drama Reader's theater teaches children how to become better listeners enriches their thinking skills and encourages their response to literature Included are ideas on using folk and fairy tales songs chants and nonsense rhymes and a reader's theater script Also included in this handbook are 400 plus annotated children's books every storyteller should know 100 great titles for creative drama and reader's theatre and professional books and Web sites for storytelling creative drama and reader's theater Grades PreK 6 Judy Freeman author of the Books Kids Will Sit Still For series gives personal and practical how to tips on how to learn and tell a story how to act out a story using creative drama and how to write and stage a Reader's Theater script All are guaranteed to get your children listening thinking reading loving and living stories with comprehension fluency expression and joy Once Upon a Time pulls together a wealth of ideas activities and strategies for using folk and fairy tales songs chants and nonsense rhymes Also included in this handbook are the texts of 10 of Judy's favorite stories you can read today and tell tomorrow a songbook of songs chants and nonsense rhymes and a Reader's Theater script You'll also find annotated bibliographies 400 children's books every storyteller should know 100 great children's books to use for creative drama and Reader's Theater professional books and Web sites for storytelling creative drama and Reader's Theater and a title and author index Chapters include Getting Started with Storytelling Judy Freeman's Songbook Including Songs Chants Riddles and Plenty of Nonsense Judy Freeman's Storybook Tales You can Hear Today and Tell Tomorrow 400 Children's Books Every Storyteller Should Know Getting Started with Creative Drama and Reader's Theater 100 Children's Books Just Right for Creative Drama and or Reader's Theater

Once Upon a Time Peter Kivy, Aaron Meskin, 2019-08-07 Once Upon a Time is a collection of essays in the philosophy of literature with two central themes the significance of story telling for us and the question of whether the novel perhaps the art form most closely associated with story telling is a legitimate source of human knowledge Leading philosopher of art Peter Kivy explores why human beings are so enthralled by being told stories and whether story telling is a significant source of knowledge Starting with a study of Aristotle's Poetics Kivy then undertakes a critical discussion of Noel Carroll's suggestion that our interaction with the artists of the past is a kind of conversation He goes on to defend the thesis that one of the legitimate artistic pleasures we take in novel reading is the acquiring of knowledge and furthermore that the silent reading of a novel is a kind of performance making the novel one of the performing arts The volume concludes with a chapter about jokes and in particular whether it is immoral to tell or be amused by an immoral joke This volume of essays is a must read for anyone

seriously interested in literature and the conceptual problems it may raise for philosophers **Once Upon a Time is Now** Megan Biesele, 2023-07-14 Fifty years after her first fieldwork with Ju hoan San hunter gatherers anthropologist Megan Biesele has written this exceptional memoir based on personal journals she wrote at the time The treasure trove of vivid learning experiences and nightly ponderings she found has led to a memoir of rare value to anthropology students and academics as well as to general readers Her experiences focus on the long lived healing dance known to many as the trance dance and the intricate beliefs artistry and social system that support it She describes her immersion in a creative community enlivened and kept healthy by that dance which she calls one of the great intellectual achievements of humankind From the Preface A few years ago I finally got around to looking back into the box of personal field journals I had not opened for over forty years I found a treasure trove It was an overwhelming experience So much that I had forgotten came vividly alive I laughed wept and was terrified all over again at my temerity in taking on what I had taken on To do justice to the richness of these notebooks I realized I would have to do a completely different sort of writing from anything I had ever done before

Once Upon a Time in China Jeff Yang, 2003 From Jackie Chan to Ang Lee from Supercop to Crouching Tiger Hidden Dragon Chinese cinema has truly arrived in the U S Filled with photos and tidbits this is the definitive book for anyone who has already fallen in love with Chinese cinema and all those who are looking to learn more about it *Once Upon a Time Lord* Ivan Phillips, 2020-02-20 Every story ever told really happened The Doctor Hell Bent 2015 Stories are fundamentally what Doctor Who is all about In *Once Upon a Time Lord* Ivan Phillips explores a wide range of perspectives on these stories and presents a lively and richly varied analysis of the accumulated tales that constitute this popular modern mythology Concerned equally with classic and new Who Phillips looks at how aspects of the Time Lord s story have been developed on television and beyond tracing lines of connection and divergence across various media He discusses Doctor Who as a mythology that has drawn on its own past in often complex ways at the same time reworking elements from many other sources whether literary cinematic televisual or historical *Once Upon A Time Lord* offers an original take on this singular hero s journey reading the unsettled enigma of the Doctor in relation to the characters narratives and locations that he has encountered across more than half a century *Once Upon A Revolution* Thanassis Cambanis, 2015-01-20 Award winning journalist Thanassis Cambanis tells the wonderfully readable and insightful Booklist starred review inside story of the 2011 Egyptian revolution Cambanis brings to life the noble dreamers who brought Egypt to the brink of freedom and the dark powerful forces that for the time being stopped them short But he also tells a universal story of inspirational people willing to transform themselves in order to transform their society He focuses on two pivotal leaders One is Basem an apolitical middle class architect who puts his entire family in danger when he seizes the chance to improve his country The other is Moaz a contrarian Muslim Brother who defies his own organization to join the opposition These revolutionaries had little more than their idealism with which to battle the secret police the old oligarchs and a power hungry military determined to keep control

Basem wanted to change the system from within and became one of the only revolutionaries to win a seat in parliament Moaz took a different course convinced that only street pressure from youth movements could dismantle the old order Their courageous and imperfect decisions produced an uprising with one enduring outcome No Arab leader ever again can take the population's consent for granted Once Upon a Revolution is a welcome addition to the literature on Egypt's uprising Library Journal Featuring exclusive and distinctive reporting Thanassis Cambanis's fluent intelligent and highly informed book convincingly explains what happened in Egypt over the last four years The New York Times Book Review Once Upon A Scare Dr. Bon Blossman, 2022-08-11 YA horror short stories If you like Creepypasta short stories you'll love these A peculiar cast of thrill seekers undergo an unforeseen fight for survival after the cameras begin streaming a live reality show on Halloween Four children must cope with lifelong regrets after summoning the estranged brother of Santa Claus on Christmas Eve Struggling newlyweds take advantage of a free weekend at a secluded cabin in the woods for Valentine's Day but soon realize they are not alone Crack open this mind bending short story collection and chill your spine with these and seven more grim tales by Dr Bon Blossman As the pages turn the stories unearth the dark side of the holidays throughout the year Prepare to face bloodthirsty sorcerers murderous ghosts and superior invaders of Earth So buckle up as you report for duty at a chocolate factory equipped with morgue drawers escape a dark forest that forbids you to leave and evade a deadly storm by attending a to die for high school bash But don't fret if the twists turns and psychological thrills aren't enough for you the werewolves vampires dragons chupacabra's serial slashers and other fiends you may encounter will put your goosebumps to good use **Once Upon a Time in New York... How I Painted My Masterpiece** , *Once Upon a Deal...* Horace McDonald, 2023-05-29 Negotiation is everywhere Even though we use it all the time at work at home with family and friends many of us are negotiating without realising it Negotiation can be described as the process of getting what we want from people who want something from us and is an art built around the science of a defined process the Scotwork 8 Step Framework For a number of years our negotiation experts have written about the issues of the day and have compiled a selection of negotiation stories for this book Once Upon a Deal brings colour to our framework to help you think differently about negotiation and help you be more in control and confident to enable you to get what you want and contribute to enhanced collaborative interactions Get ready SCOTWORK has been in the business of developing capability in commercial negotiation for nearly 50 years these entertaining stories are drawn from the team's extensive and rich experience across many sectors and situations Once Upon A Number John Allen Paulos, 2008-08-04 What two things could be more different than numbers and stories Numbers are abstract certain and eternal but to most of us somewhat dry and bloodless Good stories are full of life they engage our emotions and have subtlety and nuance but they lack rigor and the truths they tell are elusive and subject to debate As ways of understanding the world around us numbers and stories seem almost completely incompatible Once Upon a Number shows that stories and numbers aren't as different as you might imagine and in fact they

have surprising and fascinating connections The concepts of logic and probability both grew out of intuitive ideas about how certain situations would play out Now logicians are inventing ways to deal with real world situations by mathematical means by acknowledging for instance that items that are mathematically interchangeable may not be interchangeable in a story And complexity theory looks at both number strings and narrative strings in remarkably similar terms Throughout renowned author John Paulos mixes numbers and narratives in his own delightful style Along with lucid accounts of cutting edge information theory we get hilarious anecdotes and jokes instructions for running a truly impressive pyramid scam a freewheeling conversation between Groucho Marx and Bertrand Russell while they re stuck in an elevator together explanations of why the statistical evidence against OJ Simpson was overwhelming beyond doubt and how the Unabomber s thinking shows signs of mathematical training and dozens of other treats This is another winner from America s favorite mathematician

The Old Printer and the Modern Press Charles Knight,1854 Part I The old printer is a revised edition of the author s William Caxton 1844 pt II The modern press is a view of the progress of the press to our own day especially in relation to cheap popular literature

Once on a Time A. A. Milne,2012-07-01 Escape into a fantastical fairy tale world created by A A Milne author of the beloved Winnie the Pooh series In *Once on a Time* Milne stretches his creative wings and breathes into life a classic fable set in a pair of mysterious far away kingdoms populated by characters who don t always fit the stereotypical mode It s a charming read for older children or adults

Donna Summer's Once Upon a Time Alex Jeffery,2021-05-06 Contradicting assumptions that disco albums are shallow and packed with filler Donna Summer s double album *Once Upon A Time* stands out as a piece that delivers on its promise of an immaculately crafted journey from start to finish A new interpretation of the Cinderella story it is set in the then contemporary world of New York disco and takes the listener on a journey from urban isolation and deep despair to joy and vindication all filtered through the mind of its na ve and fantasy prone protagonist As well as charting the production of the album within the legendary Munich Machine in Germany this book digs deep into the album s rich themes and subtexts Approaching the book from inventive angles the four essays within the book act as a prism connecting the reader to the classical aspirations of Eurodisco the history of the black fairy tale and a queer knowledge that reads Summer s Cinderella tale in some surprising ways

The Republic of Biafra: Once Upon a Time in Nigeria Dr. Onyema G. Nkwocha,2010-10-26 Not quite four months after the Western Region s

election of October 10 1965 did the localized mayhem in that Region find its way furiously into the center of the nation on January 15 1966 It was like a whirl wind of nothing but anarchy and lawlessness The serious aftermath of the marred and rigged election was that it acted as the last straw that broke the Carmel s back providing immediate reason for the army to overthrow the government of Dr Nnamdi Azikiwe Anarchy ensued a counter coup led to the death of Major General Ironsi Callous barbarous massacre of thousands of easterners in the North followed With their lives in jeopardy easterners fled for safety to eastern region refugee crisis followed To guarantee their safety easterners seceded from Nigeria and on May 30th

1967 formed an independent and sovereign nation of the Republic of Biafra Determined to bring Easterners back on July 6 1967 Nigeria invaded Biafra waged a gruesome thirty month civil war against Biafra Nigeria blockaded Biafra on land sea and air to prevent food from entering Biafra A malnutrition disease Kwashiorkor that caused the deaths of thousands of Biafrans followed Nigeria bombed Biafran civilians killing thousands On January 12 1970 the war ended leaving more than three million people dead in a war that was totally avoidable **Once Upon a Hume - Volume IV** Stephen

Gard,2024-04-22 Once Upon A Hume Volume 4 pursues our journey down the Great South Road as the Hume Highway was once known We follow the original route moving from personality to personality catching up with some of the intriguing folk who lived near or preyed upon or prospered there from the earliest days Few of these folk or features are well known All have a story to share In this volume we explore the stretch of Old Hume highway between Gunning and Gundagai We meet odd and interesting people and investigate intriguing places and events Mountain tops and murderers Suicides and spooks Flivvers and floatplanes and floods Bushfire pandemics bunyips and bridges Persons colourful admirable execrable and astute Locales remote abandoned busy and becalmed Rapine revels and reverence at Jerrawa The eight bewhiskered sons of Henry Manton Two doughty Yass ladies not to be trifled with Mount Bowning Unlicked Deep waters at Burrenjuck Spider Martin and the Bookham Battler The Mystery of Mary Mathews The Flivver and the Monkey Nose The Jugiong Rioters Apocalypse at Coolac The Parable of the Warby Brothers at Mingay Gunda guys Gunda gals One night in the Niagara Caf and many other persons and prominences Once Upon a Hume is a travellers companion Anecdotal informative and chatty it peoples the Hume Highway landscape with vivid characters and occurrences profiles prominences explains place names and makes an absorbing panorama of the passing show This is the fourth of several volumes about the colourful humanity who dwelt Once Upon A Hume *The Sunset* ,1899 *The Contemporary Review* ,1895 **The Uses of the Past in**

Contemporary Western Popular Culture Tobias Becker,Dion Georgiou,2024-08-24 This book takes an interdisciplinary approach to understanding the different ways in which the past remains present in Western popular culture in the twenty first century It combines theoretical analyses with case study based chapters focusing on examples from Britain the US and Germany among other countries In doing so it pushes beyond a simplistic and monolithic conception of what nostalgia is to allow for a more nuanced and varied conceptualisation of this phenomenon and to also incorporate other ways of understanding the invoking or inclusion of different histories within cultural objects formats and practices *The Greatest Collection of all Time: Parents and children* by Charlotte M. Mason and *India: What can it teach us?* by F. Max Müller Charlotte M. Mason,F.
