The Politics of Modern Indian Language Literature MK Raghavendra, 2024-04-16 Indian literature is produced in a wealth of languages but there is an asymmetry in the exposure the writing gets which owes partly to the politics of translation into English This book represents the first comprehensive political scrutiny of the concerns and attitudes of Indian language literature after 1947 to cover such a wide range including voices from the cultural margins of the nation like Kashmiri and Manipuri that of women alongside those of minority and marginalised communities In examining the politics of the writing especially in relation to concerns like nationhood caste tradition and modernity postcoloniality gender issues and religious conflict the book goes beyond the declared ideology of each writer to get at covert significations pointing to widely shared but often unacknowledged biases The book is deeply analytical but lucid and jargon free and to those unfamiliar with the writers it introduces a new keenness into Indian literary criticism to make its objects exciting

The Story of a Goat Perumal Murugan,2019-12-10 Fantastical Through the thoughts of a rare black goat and the couple who adopt it readers witness famines death and moments of beauty National Geographic Longlisted for the National Book Award for Translated Literature As he did in the award winning One Part Woman Perumal Murugan explores a side of India that is rarely considered in the West the rural lives of the country s farming community He paints a bucolic yet sometimes menacing portrait showing movingly how danger and deception can threaten the lives of the weakest through the story of a helpless young animal lost in a world it naively misunderstands As the novel opens a mysterious stranger offers a farmer in Tamil Nadu a black goat kid who is the runt of the litter surely too frail to survive The farmer and his wife take care of the young she goat whom they name Poonachi and soon the little goat is bounding with joy and growing at a rate they think miraculous for such a small animal Intoxicating passages from the goat s perspective offer a bawdy and earthy view of what it means to be an animal and a refreshing portrayal of the natural world But Poonachi s life is not destined to be a rural idyll dangers can lurk around every corner and may sometimes come from surprising places including a government that is supposed to protect the weak and needy Is this little goat too humble a creature to survive such a hostile world The title character of Murugan s elegant new novel is indeed a joy through Poonachi s tale we are reminded how much bonds us with the animal world USA Today

Legalizing Sex Chaitanya Lakkimsetti,2020-01-14 How the rise of HIV in India resulted in government protections for gay groups transgender people and sex workers This original ethnographic research explores the relationship between the HIV AIDS epidemic and the rights based struggles of sexual minorities in contemporary India Sex workers gay men and transgender people became visible in the Indian public sphere in the mid 1980s when the rise of HIV AIDS became

a frightening issue The Indian state started to fold these groups into national HIV AIDS policies as high risk groups in an attempt to create an effective response to the epidemic Lakkimsetti argues that over time the crisis of HIV AIDS effectively transformed the relationship between sexual minorities and the state from one that was focused on juridical exclusion to one of inclusion The new relationship then enabled affected groups to demand rights and citizenship from the Indian state that had been previously unimaginable By illuminating such tactics as mobilizing against a colonial era anti sodomy law petitioning the courts for the recognition of gender identity and stalling attempts to criminalize sexual labor this book uniquely brings together the struggles of sex workers transgender people and gay groups previously studied separately A closely observed look at the machinations behind recent victories for sexual minorities this book is essential reading across several fields

Madhusoodanan, 2022-02-06 The global trend in the scholarly field of ecocriticism or broadly environmental humanities is shifting towards localized sub areas This shift has been instrumental in canonizing local subaltern postcolonial and unheard voices in ecocriticism Such ecocriticism has gained relevant significance in the disciplines of humanities and social sciences and boldly displays diverse ecocultural perspectives on communities societies languages and literatures all of these being distinctly different from each other Weaving a unique ecocritical narrative from the rich literary and cultural texts belonging to Kerala this volume presents several ecocritical perspectives written by award winning writers in Malayalam      **The News Event** Francis Cody, 2023-04-05 In the hypermediated world of Tamil Nadu Francis Cody studies how news events are made Not merely the act of representing events with words or images a news event is the reciprocal relationship between the events being reported in the news and the event of the news coverage itself In *The News Event* Francis Cody focuses on how imaginaries of popular sovereignty have been remade through the production and experience of such events Political sovereignty is thoroughly mediated by the production of news and subjects invested in the idea of democracy are remarkably reflexive about the role of publicly circulating images and texts in the very constitution of their subjectivity The law comes to stand as both a limit and positive condition in this process

of event making where acts of legal and extralegal repression of publication can also become the stuff of news about news makers When the subjects of news inhabit multiple participant roles in the unfolding of public events when the very technologies of recording and circulating events themselves become news the act of representing a political event becomes difficult to disentangle from that of participating in it This Cody argues is the crisis of contemporary news making the news can no longer claim exteriority to the world on which it reports
