the truth Moments of Grace and Spiritual Warfare in the Lord of the Rings Anne Marie Gazzolo,2012-10 In J R R Tolkien s desire to create a mythology for his homeland he actually made one for every person every land and every age The Lordof the Rings is a catechism of spiritual warfare cleverly disguised as a fantasy The struggle against evil that takes place inside its pages is the same one that occurs even now within the soul of each person As we cannot leave the field of battle until death takes us from it we should learn as much as we can about how to fight from those who have labored before us Certainly the Red Book of Westmarch is one source to use We may not have to sacrifice ourselves as does Gandalf but we can learn from him and his wise counsels and from the others who he taught Frodo guides us as well as he makes his torturous journey to Mount Doom and endures the Ring s unceasing temptations With him we see that sometimes we overcome our temptations and at other times they overwhelm us We also learn as he and Boromir do to get back up and start the struggle anew Sam shows us the height of hope and the depth of devotion In fact everyone in the tale good as well as evil has something to teach us Anne Marie Gazzolo hopes that you will find inspiration within to apply to your life
