the only question and love is the only answer The only problem is that most people on Earth aren't really listening despite the fact that we live in an almost dead world mentally emotionally and spiritually The spiritual light of the world is very dim if it's even shining at all anymore Humans must wake up now today This book is about starting a creative spiritual educational revolution in America and letting it spread throughout the whole world This book takes a forward looking approach to the future and gives readers a glimpse into upcoming events
