Oneness And Separateness From Infant To Individual:

Oneness and Separateness Louise J. Kaplan, Louise Kaplan, 1978 Provides insight into the process by which an infant is separated from oneness with its mother revealing the impact of this separation on human behavior throughout life The 7 Stages of Motherhood Ann Pleshette Murphy, 2006-04-11 This refreshingly candid parenting book puts mothers not children center stage Ann Pleshette Murphy provides a reassuring wise and often wildly funny mix of anecdotes and advice as she describes the seismic shifts in women's lives and identities from pregnancy through a child's graduation She draws on countless conversations with mothers and with child development experts she has met as the parenting contributor to Good Morning America and as the former editor in chief of Parents magazine The mother of two Murphy freely shares her own trials and errors in stories that will have readers laughing in relief and recognition Written with wit warmth and unfailing empathy The 7 Stages of Motherhood is an exuberant and indispensable guide to making the most of motherhood Words of Wisdom for Every Stage of Motherhood _ Forget the mothering comes naturally myth And don't be afraid to ask for help _ Avoid keeping up with the Joneses Give your kids what they need not everything they want _ Know when you're in the wrong movie Don't try to cast your kids in a remake of your childhood _ Give yourself credit for finding Lego Man's hair Little acts of caring matter more to your kids than getting through your to do list _ Be a mother not Mother Teresa When you neglect your own needs you shortchange your kids

Selfishness and Selflessness Linda L. Layne, 2020-04-09 We are said to be suffering a narcissism epidemic when the need for collective action seems more pressing than ever The traits of Selfishness and selflessness address the proper and improper relationship between one's self and others The work they do during periods of social instability and cultural change is probed in this original interdisciplinary collection Contributions range from an examination of how these concepts animated the eighteenth century anti slavery campaigners to a dissection of the way middle class mothers experiences illustrate gendered struggles over how much and to whom one is morally obliged to give

Treating Childhood and Adolescent Anxiety Eli R. John Dewey and the Paradox of Liberal Reform William Andrew Paringer,1990-01-01 This book provides a fresh critique of John Dewey and the progressive tradition and warns against the superficial renaissance of Deweyan philosophy present in many of today s modern liberal educational reform movements Challenging the four pillars of Dewey s pragmatism science nature democracy experience Paringer argues for a critical or radical education praxis that more sensitively comes to grips with the difficulties of teh nuclearized postmodern world

The Religious and Romantic Origins of Psychoanalysis Suzanne R. Kirschner,1996-02-23 In this book Suzanne Kirschner traces the origins of contemporary psychoanalysis back to the foundations of Judaeo Christian culture and challenges the prevailing view that modern theories of the self mark a radical break with religious and cultural tradition Instead she argues they offer an account of human development which has its beginnings in biblical theology and neoplatonic mysticism Drawing on a wide range of religious literary philosophical and anthropological sources Dr Kirschner demonstrates that current Anglo American psychoanalytic theories are but the latest version of a narrative that has been progressively secularized over the course of nearly two millennia She displays a deep understanding of psychoanalytic theories while at the same time raising provocative questions about their status as knowledge and as science

How To Live With The Difficult Man You Love Nancy Good,1995-11-15 In this follow up to the popular How to Love a Difficult Man the author advises readers that they don t have to live with his difficult behavior or leave him With this book readers learn how to overcome obstacles to the intimacy you ve always dreamed of with these step by step guidelines

Complex Trauma Regulation in Children Suellen Thomson-Link,2023-10-26 This book outlines both the theory and application of regulation intervention strategies for children with complex trauma history National statistics identify that 1 7 children in the United States are subjected to child abuse or neglect The age group with the highest reported incidences are in the 1 3 year old age group The primary perpetrators of this abuse are the child s caregivers This age is closely associated with the critical period of development in the areas of the brain the child s physiology and their social emotional well being When primary attachment is disrupted delays and disruptions across many domains occur When the perpetrator of their trauma is the same person who should be ensuring their safety a child develops behaviors in an attempt to make sense of their world The behaviors serve a purpose Behavioral approaches which rely on positive and negative consequences do not adequately address the cause of the

behavior and are therefore ineffective Other existing trauma interventions rely on the individual to cognitively process information However when dysregulated retrieval of information from the frontal lobe of the brain is not physiologically possible All these approaches also intervene on the assumption that the child knows what normal regulation feels like Most of these children however have only known chaos and fear novelty This attachment based intervention model incorporates neurological physiological observational and practical regulation intervention strategies for anyone working with children with complex trauma history It is able to be applied in home school community and in therapy environments When a child feels regulated and safe the effectiveness of the child s trauma treatment can be enhanced

Inventing the Child Joseph L. Zornado,2021-11-18 This book traces the historical roots of Western culture s stories of childhood in which the child is subjugated to the adult Going back 400 years it looks again at Hamlet fairy tales of the Brothers Grimm and Walt Disney cartoons Inventing the Child is a highly entertaining humorous and at times acerbic account of what it means to be a child and a parent in America at the dawn of the new millennium John Zornado explores the history and development of the concept of childhood starting with the works of Calvin Freud and Rousseau and culminating with the modern consumer childhood of Dr Spock and television The volume discusses major media depictions of childhood and examines the ways in which parents use different forms of media to swaddle educate and entertain their children Zornado argues that the stories we tell our children contain the ideologies of the dominant culture which more often than not promote happiness at all costs materialism as the way to happiness and above all obedience to the dominant order

Psychosis in Childhood and Adolescence James B. McCarthy,2014-10-17 Psychosis in Childhood and Adolescence offers an in depth examination of the nature of psychosis its risk factors and its manifestations in children and adolescents who experience a continuum of emotional disorders The chapters present a hopeful research based framework for treatment They emphasize combined treatment that is based on psychodynamic and cognitive behavioral psychotherapy principles pharmacological interventions and supportive family approaches that reflect the vulnerabilities and resources of the individual child This text highlights the importance of thorough assessment and the need for long term treatment that facilitates the psychotic child s healthy maturation Readers will benefit from the case examples that illustrate the complexity

of psychosis and the discussions of diagnostic and treatment issues as presented by experienced clinicians and researchers

Inventing the Child John Zornado, 2013-10-18 Now in paperback *Inventing the Child* is a highly entertaining humorous and at times acerbic account of what it means to be a child and a parent in America at the dawn of the new millennium J Zornado explores the history and development of the concept of childhood starting with the works of Calvin Freud and Rousseau and culminating with the modern consumer childhood of Dr Spock and television The volume discusses major media depictions of childhood and examines the ways in which parents use different forms of media to swaddle educate and entertain their children Zornado argues that the stories we tell our children contain the ideologies of the dominant culture which more often than not promote happiness at all costs materialism as the way to happiness and above all obedience to the dominant order

The Damaged Core Salman Akhtar, 2009-04-13 This book deals with the process through which a coherent self evolves the various ways such development fails to occur and the therapeutic measures to put things back together It deals with the psychotic core the schizoid wish to die and be reborn the fantasies related to unresolved separation individuation the sociopathic tendency to lie and the impact of excessive narcissism on love relations This book also provides a unique perspective on the treatment of these conditions insofar as it not only elucidates the ways that a therapist listens and talks to his patients but also the subtle but deep impact of his ongoing attitude toward psychotherapeutic work Book Jacket

Militant Lactivism? Charlotte Faircloth, 2013-03-01 Following networks of mothers in London and Paris the author profiles the narratives of women who breastfeed their children to full term typically a period of several years as part of an attachment parenting philosophy These mothers talk about their decision to continue breastfeeding as the natural thing to do evolutionarily appropriate scientifically best and what feels right in their hearts Through a theoretical focus on knowledge claims and accountability the author frames these accounts within a wider context of intensive parenting arguing that parenting practices infant feeding in particular have become a highly moralized affair for mothers practices which they feel are a critical aspect of their identity work The book investigates why how and with what implications some of these mothers describe themselves as militant lactivists and reflects on wider parenting culture in the UK and France Discussing gender feminism and activism this study contributes to kinship and family studies by exploring how relatedness is enacted in conjunction to constructions of the self
