the present with charges of the past and in addition the mind projects fear for loosing the present external conditions surrounding you today in the future The mind plays 6 tricks to stay alive Chapter Setting our Goals is designed to make you aware where your challenges are in terms of relationships health finance work growth and so on It is a very practical chapter Chapter Design by Divine is designed towards explaining a male aspect of the Divine In addition the birth process is explained derived from the Flower of Life symbol layers and the 4 basket teachings of Oneness University This supports you in understanding where charges reside and what the specific type of fears and impact is on your behaviour later on in life Chapter Tracing our Sorrow is designed to life regression back in time It is about live events in the past It is called our sorrow because the sorrow is collective It is passed on from person to person and passed down from generation to generation It is and has been out of our personal control The charges are ruling our life since we were born Chapter Facing our Shadow is designed to becoming aware on a daily basis what is going on inside of you It is about the present What and who is triggering your emotions Stop learning to blame others and look into the mirror Everything is a reflection of what resides inside Chapter Embracing our Pain is designed to becoming aware of how the mind is sabotaging you telling you to embrace your pain one day in the future and not today Chapter Realizing our Purpose is designed towards teaching you how to co create with the Divine Empowering the creation power to establish the things or processes you intent to realize Apply techniques and use your passion as a driving force Awaken to Ascension Marsha Hankins,2021-05-15 Awaken to Ascension Mastering Oneness and Knowing Yourself as Source is an inspiring and motivating look at where we are how we got here and what to do next on the road to Ascension Humanity has been suffering from temporary spiritual amnesia blocked from spiritual truth In Awaken to Ascension Marsha Hankins teaches readers how to break free and find the wisdom and the power to walk the path of mastery The journey of spiritual awakening is joyful and exhilarating but it is also challenging because people must learn a new way of being The process of ascension is simple but not always easy Awaken to Ascension explains the illusion of duality how to step out of it and how to embrace each step with love and compassion awe and wonder by learning how to overcome judgments let go of limitations and resolve the spiritual suitcase There is no one road to Ascension which means people have many questions For more than twenty years Marsha Hankins has taught students around the world how to find answers to their questions and choose the path that is right for them Awaken to Ascension shares the knowledge that will help others move more quickly and more gently through the spiritual process and into the full experience of themselves as divine Every now and then you meet a guide on the ascent that makes your hike a little easier Marsha is one such guide The insights and ageless teachings found within these covers will serve as both a trail map and pillow to rest your head So put on your metaphorical hiking boots and start climbing and above all else enjoy the view Brian Luke Seaward Ph D author of Stand Like Mountain Flow Like Water Reflections on Stress and Human Spirituality
