Play Among Books Miro Roman,Alice\_ch3n81,2021-12-06 How does coding change the way we think about architecture This question opens up an important research perspective In this book Miro Roman and his AI Alice\_ch3n81 develop a playful scenario in which they propose coding as the new literacy of information They convey knowledge in the form of a project model that links the fields of architecture and information through two interwoven narrative strands in an infinite flow of real books Focusing on the intersection of information technology and architectural formulation the authors create an evolving intellectual reflection on digital architecture and computer science Hockey and Philosophy Normand

Baillargeon,Christian Boissinot,2015-11-19 Does hockey provide a better understanding of the differences between Canadian and Qu b cois nationalisms Is there a fundamental relationship between the hockey arena and the political arena What have we lost as a society in abolishing the tie game Are salaries in the NHL really that outrageous Is hockey more art than sport Should hockey players be banned from using performance enhancing drugs at all costs Do goalies suffer from angst Does our national sport have its own mythology and metaphysics Do hockey brawls reflect our true human nature more than we would care to admit And what would it be like if the great philosophers were to face off on the ice A team of philosophy and hockey buffs go deep with these fascinating questions and many others in this examination of a worshipped sport elevated to something akin to a cult Accessibly written and peppered with humour the essays in this book will charm specialists sports fans and everyone in between Whether you re a fan of Richard Gretzky Crosby Plato Kant or Kierkegaard you re invited to be a spectator at this very special meeting of minds **Hockey** Andreu Enrich,2020-07-06 This book emerges as a compilation

of 33 different texts produced by Andreu Enrich during the last three years All texts revolve around the nature of our sport while addressing a broad variety of topics You will find reviews from major hockey events articles about the rules of the game and its different formats But also reflections about how to manage your squad and the talent within your hockey institution However the most important part of the book is about coaching and playing so the reader will find many articles on these two topics Andreu s way of approaching these topics is eminently philosophical He tries to highlight new points of view while provoking promoting the surprise and the reflection of the reader Andreu Enrich Terrassa 1984 is a former international hockey player and currently a hockey coach He played most of his time in Atl tic Terrassa Hockey Club and also worked for the Spanish Hockey Federation He also had hockey experiences in the Netherlands Pinok Belgium KHC Leuven and Royal Belgian Hockey Association and Germany Hamburger Polo Club and Mannheimer HC He has published two other books El Aprendiz de la Felicidad 2012 and Small Sided Games 2019 He has always been passionate about philosophy Content Philosophizing with a Hammer Reflections after Champions Trophy 2018 My World Cup Dream Team EHL 18 19 Reflection Umpiring Field Hockey is essentially problematic No one else could have designed a worse sport than Indoor Hockey The Indoor Hockey Frustration Philosophy Video Umpires Terrassa The Hockey Talent Factory The Golden Squad 12 Tips from

*Playing Games* Randolph M. Feezell, 2017 What is sport Why does sport matter How can we use philosophy to understand what sport means today This engaging and highly original introduction to the philosophy of sport uses dialogue a form of philosophical investigation to address the fundamental questions in sport studies and to explore key contemporary issues such as fair play gender drug use cheating entertainment and identity Providing a clear informative and accessible introduction to the philosophy of sport every chapter includes current sporting examples as well as review questions and guides to further reading The dialogue form enables students to engage in debate and raise questions while encouraging them to think from the perspectives of athlete coach spectator and philosopher The issues raised present real and complex ethical dilemmas that relate to a variety of sports from around the world such as soccer athletics baseball basketball hockey and tennis No other book brings this rich subject to life through the use of dialogue making this an indispensable companion

to any course on the philosophy or ethics of sport
