**The Face of a Miracle** Jodi Sampson, 2013 Jodi Sampson was a typical girl growing up in a small community by the ocean. She dreamed of falling in love and a life full of good health, great times and lots of love. Everything seemed to be on track when she married her high school sweetheart. She had some pregnancy troubles but she hung onto her faith and had two beautiful daughters. But her sense of normalcy vanished when her brother died unexpectedly during her third pregnancy. Despite high levels of stress, she didn't miscarry. She knew from early on then that this child, a son she named Michael Francis, was going to be a fighter, a trait that became a double blessing when he was diagnosed with an aggressive brain tumor while still a toddler. Soon Jodi's own health was threatened too but she relied on exercise, nutrition and family to help her cope.
