Full Frontal Stupidity Barry Parham, 2012-04-26 Praise for Full Frontal Stupidity Parham is at the very top echelon of American humorists equal to Dave Barry or David Sedaris on their best day Linton Robinson Editor My Funny Valentine Humor columnist Barry Parham is back launching his latest salvo of hilarious thought provoking take no prisoners observations on being single Single guys buy milk in small manageable doses as if they were bringing home work or morals It would never cross a single guy's mind to buy an entire gallon of anything much less some expiring liquid that can mutate into something that smells like Detroit looks on auto racing I'm the first to admit that racing takes talent not to mention bravery But there's bravery involved in putting your hand on a hot stove too Sadly though after you're done with the stove there's nothing much left but discipline and learning to write with your other hand on politics Contestant 3 was unable to make it but he did swing by and vote Present so we would validate his parking and he would like to remind our studio audience that was for showing up before he was against it Includes these award winning stories Skirts vs Skins Scenes From a Maul
