that destinations that pursue tourism as a vehicle for sustainable development face around the world **Death Dealer**
Rudolf Hoss, 2012-08-31 By his own admission SS Kommandant Rudolf Hoss was history's greatest mass murderer having personally supervised the extermination of approximately two million people mostly Jews at the death camp in Auschwitz Poland Death Dealer is the first complete translation of Hoss's memoirs into English These bone chilling memoirs were written between October 1946 and April 1947 At the suggestion of Professor Stanislaw Batavia a psychologist and Professor Jan Shen the prosecuting attorney for the Polish War Crimes Commission in Warsaw Hoss wrote a lengthy and detailed description of how the camp developed his impressions of the various personalities with whom he dealt and even the extermination of millions in the gas chambers This written testimony is perhaps the most important document attesting to the Holocaust because it is the only candid detailed and for the most part honest description of the Final Solution from a high ranking SS officer intimately involved in carrying out the plans of Hitler and Himmler With the cold objectivity of a common hit man Hoss chronicles the discovery of the most effective poison gas and the technical obstacles that often thwarted his aim to kill as efficiently as possible Staring at the horror without reacting Hoss allowed conditions at Auschwitz to reduce human beings to walking skeletons then he labelled them as subhumans fit only to die Readers will witness Hoss's shallow rationalizations as he tries to balance his deeds with his increasingly disturbed yet always ineffectual conscience
