It teaches you how to understand your audience, develop powerful applications, use illustrations well, and communicate effectively. *Preaching God's Word* addresses how to develop and preach a biblical sermon, common issues with biblical preaching, and how to avoid them. Unique challenges and opportunities of preaching from specific biblical genres: New Testament preaching, Old Testament preaching. Whether you are a student who is new to preaching or a veteran looking to brush up on your skills, you will benefit from this hands-on approach to preparing, developing, and delivering the sermon.

*Just Follow Jesus* Billy Joseph Stines, 2019-12-18 Who were the men called by Jesus? Among the twelve disciples were two sets of brothers: Peter and Andrew, James and John, and a man named Matthew. If we were selecting individuals to follow Jesus, these men would have never been on our list. But Jesus saw something in them we could never see. Peter, Andrew, James, and John made their livelihood fishing in the Sea of Galilee. Matthew collected taxes for the hated Roman empire. Each was an average man just going about his daily business. But Jesus turned their lives upside down by calling to them, saying, "Follow me." Just as his call changed their lives, it can change your life too. Billy Joseph Stines, who served almost forty years at six churches scattered around North and South Carolina, explores why you should listen to the call of Jesus. He also urges readers to stop dismissing those parts of the Bible that do not fit their idea of who God is. Instead of seeking peace through compromise, the goal must be to discover the truth: Jesus Christ.
