*Offerings at the Wall* Thomas B. Allen, 1999-07 On Veterans Day 1982 a unique monument was dedicated in Wash DC with 140 black panels engraved with the names of the more than 58 000 Americans who died in Vietnam Now as much a shrine as a monument the Vietnam Wall has become a pilgrimage site a place where people leave votive offerings in a variety too wide to categorize All of them have been collected preserved cataloged by the National Park Service This volume presents a selection of the mementos left at the wall ranging from combat boots weapons to baseballs bubble gum wrappers to a family photograph taken from the body of a dead Vietnamese soldier      **Offerings at the Wall** Thomas B. Crosthwaite, 2009 From the very beginning in the 1770s singing was an important part of the worship services of the Shakers formally known as the United Society of Believers in Christ s Second Appearing Yet until the early nineteenth century nearly all Shaker songs were wordless expressed in unknown tongues or as enthusiastic vocalizations Only when Shaker missionaries moved west into Ohio and Kentucky did they begin composing hymn texts chiefly as a means of conveying the sect s unconventional religious ideas to new converts In 1812 13 the Shakers published their first hymnal This venture titled *Millennial Praises* included the texts without music for one hundred and forty hymns and elucidated the radical and feminist theology of the Shakers neatly distilled in verse This scholarly edition of the hymnal joins the texts to original Shaker tunes for the first time

One hundred and twenty six of the tunes preserved in the Society's manuscript hymnals have been transcribed from Shaker musical notation into modern standard notation thus opening this important religious and folk repertoire to modern scholars. Many texts are presented with a wide range of variant tunes from Shaker communities in New England, New York, Ohio, and Kentucky. Introductory essays by volume editors Christian Goodwillie and Jane F. Crosthwaite place *Millennial Praises* in the context of Shaker history and offer a thorough explication of the Society's theology. They track the use of the hymnal from the point of publication up to the present day, beginning with the use of the hymns by both Shaker missionaries and anti-Shaker apostates and ending with the current use of the hymns by the last remaining Shaker family at Sabbathday Lake, Maine. The volume includes a CD of historical recordings of six Shaker songs by Brother Ricardo Belden, the last member of the Society at Hancock Shaker Village.

**Documents That Changed the Way We Live** Joseph Janes, 2017-05-26 Documents are milestones and markers of human activity, part of who and what we are. Our story can be told through the objects, profound and trivial, famous and forgotten, by which we remember and are remembered. *Documents That Changed the Way We Live* examines dozens of compelling stories that describe these documents, their creation, motivation, influence, importance, historical and social context, provenance, and their connections to contemporary information, objects, technologies, and trends. These documents include the following: Exaltation of Innana, a Sumerian hymn composed c. 2300 BCE by the high priestess Enheduanna, likely the first known author of anything; The We Can Do It poster; everybody knows is Rosie the Riveter calling women to work in the factories in World War II; Except it's not, and she isn't; Joseph McCarthy's list of Communists that ruined lives and careers because it was believed even though it never existed; The He has waged cruel war passage on slavery deleted from the Declaration of Independence; The poorly designed Palm Beach County butterfly ballot on which the 2000 U.S. presidential election may have hinged; And the lesser-known stories behind the Zapruder Film, the Watergate tapes, the Obama birth certificate, airplane black boxes, Thanksgiving IQ tests, the Star Spangled Banner, why Americans spell the way they do, Nobel Prizes, Wikipedia, and how you're cooking dinner tonight.

American Studies Janice A. Radway, Kevin Gaines, Barry Shank, Penny Von Eschen, 2009-03-09 *American Studies* is a vigorous, bold account of the changes in the field of American Studies over the last thirty-five years. Through this set of carefully selected key essays by an editorial board of expert scholars, the book demonstrates how changes in the field have produced new genealogies that tell different histories of both America and the study of America. Charts the evolution of American Studies from the end of World War II to the present day by showcasing the best scholarship in this field. An introductory essay by the distinguished editorial board highlights developments in the field and places each essay in its historical and theoretical context. Explores topics such as American politics, history, culture, race, gender, and working life. Shows how changing perspectives have enabled older concepts to emerge in a different context.
