It seemed that every relationship he had ever had revolved around one thing: his money. Being the wealthy CEO of a major banking corporation and a good-looking one at that, he attracted a lot of the wrong attention from women. On the other side of town, Deanna Williams, an up-and-coming journalist from Texas, is settling into her new surroundings. Fresh out of college, she manages to land herself a job at a small financial magazine in New York City. So far, the only friends she has made are her coworkers. She is unaware of her rustic beauty and new to the Big Apple, she finds herself spending more and more nights at home. She feels so alone.

Blindfolded: An Alpha Billionaire Romance Michelle Love, Ellen Lane, 2024-10-24 Once I learned about her innocence, I wanted to corrupt and dominate the hell out of her. Lock her up in my penthouse and discover every delicious way to make her scream. I control my life. I control my world. In my high-end billionaire lifestyle, seducing women is a piece of cake. And I just found a new woman to play with: my new publicist, Ava Parker. She is my new babysitter, and she will pretend to tell me what to do. But I know much better. I will make her vulnerable and make her mine. Then I meet her, and I am screwed. There's something about her that draws me in. She's so tiny, innocent, and breathless, and I can sense a fiery passion burning inside. She woke up something in me that I swore I would never deal with again. But a woman like her can't tame me without getting burned. She better watch out. I will be coming for her hard. She might think

she can change me but it s she who s due for a big surprise
