Unbeknownst to Minka, that very same day a judge was releasing the sealed adoption records to her 77-year-old daughter. And soon, Minka's phone would ring. Amazon.com

*Adoption Is Not a Bad Word* Robin Waltrip, 2013-09-26 I write this book in hopes of showing how adoption can be a positive thing. Today in our society, we have come to accept children and their birth moms in a different light. While this is fantastic, I still believe that the child needs to have the option when they are older to meet their birth parents. I searched my birth mom out first because I wanted to know of medical problems my children may face. I then realized what a blessing I have as I found a best friend in my birth mom. Our relationship is different than the one with my mom, and to me, it is a blessing in disguise.

Peter Behrens expresses a father's feeling of utter helplessness and incomparable joy during the birth of his first child. Afua Cooper reflects upon giving birth in a new land with evolving customs. Anne Fleming describes the process of choosing a male donor with her same-sex partner, and Jaclyn Moriarty transcribes her grandmother's and her mother's birth stories along with her own to create a tender oral history spanning three generations.
