

October Sky

As you study this film as part of our leadership class there are a number of ideas to keep in mind. You will be asked to answer several questions on your paper during the movie. There will also be several points in the film where you will discuss issues in small groups.

Describe the setting of the film? Do you think you'd have been happy to live in Coalwood in the late 1950's? If you had, what position in it would you have wanted?

As you watched this film, did you begin to feel as if you knew the people involved? Which characters in the film remind you of people that you know in your life?

Homer Hickam was inspired to build rockets in 1957, when the Soviet Union launched the first artificial satellite into Earth's orbit. How was his goal different from the other people living in Coalwood?

Which characters in the film support Homer's dream of being a space engineer?

Which characters in the film do not support Homer's dream of being a space engineer?

October Sky Guided Questions

Lisa Rivero

October Sky Guided Questions:

Understanding Communication Research Methods Stephen M. Croucher, Daniel Cronn-Mills, 2018-11-07 Using an engaging how to approach that draws from scholarship real life and popular culture this textbook offers students practical reasons why they should care about research methods and a guide to actually conducting research themselves Examining quantitative qualitative and critical research methods this new edition helps undergraduate students better grasp the theoretical and practical uses of method by clearly illustrating practical applications The book features all the main research traditions within communication including online methods and provides level appropriate applications of the methods through theoretical and practical examples and exercises including new sample student papers that demonstrate research methods in action Also featuring dedicated student resources on the Routledge com book page and instructor resources at https://routledgetextbooks.com/textbooks/instructor_downloads These include links videos outlines and activities recommended readings test questions and more
