Insider's Language It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the Insider's Language to use it with confidence and make it part of your long-term memory. The AP United States History Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success on the AP United States History Exam. After nearly 20 years of teaching, Lewis Morris discovered a startling fact: Most students didn't struggle with the subject; they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject, there was a list of essential words that when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words, the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of Books and Applications to teach this Insider's Language to students around the world. Our books and applications are helpful to any student. They are especially helpful to struggling students, English language learners, ESL, and students beginning a course of study. The strongest students will also enjoy the puzzle and game aspect of the books. In all cases, the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation. Direct Hits US History in a Flash Larry Krieger, 2011-02-07 US History in a Flash is the definitive prep book for both the AP US History exam and the SAT II US History subject test. The book is based upon a bold new approach. Instead of trying to be a mini textbook that covers everything, US History in a Flash uses the Direct Hits selective approach of only focusing on topics that have generated clusters of questions. Here are some of the book's unique features: 40 chronological chapters that focus on 196 key topics. Each topic is covered in a vivid narrative outline. Over 100 study tips that tell students what to ignore and what to emphasize. Correlations to the treasure trove of information found at the College Board's AP Central website. Detailed chapters on the DBQ and Free Response essays that include annotated sample essays and thesis paragraphs. A triple-tier study plan that includes long-term, mid-term, and short-term materials. The short-term materials include ten Top Ten lists of key points students absolutely positively have to know. Additional coverage of post-World War II topics that are often skimmed over or even skipped in classes that fall behind schedule. SAT vocabulary words taken from the renowned Direct Hits vocabulary books are integrated and defined in the narrative. About the Author: Larry Krieger is the leading authority on US History, World History, Art History, and the SAT, having written over 20 books on the subjects. In a teaching career that has

spanned over 40 years Krieger has taught urban rural and suburban students In 2004 and 2005 the College Board recognized Larry as one of America s most successful AP teachers Krieger is particularly proud of US History in a Flash It contains a lifetime of key points strategies and tips for both the AP US History exam and the SAT II US History subject test *Abcte Us History Exam Success: Master the Key Vocabulary of the American Board for Certification of Teacher Excellence in United States History Exam* Lewis Morris,2018-12-31 Now you can instantly improve your score on the ABCTE US History Exam Ever wonder why learning comes so easily to some people This remarkable book reveals a system that shows you how to learn faster easier and without frustration By mastering the hidden language of the exam you will be poised to tackle the toughest of questions with ease We ve discovered that the key to success on the ABCTE US History Exam lies with mastering the Insider s Language of the subject People who score high on their exam have a strong working vocabulary in the subject tested They know how to decode the exam vocabulary and use this as a model for test success People with a strong US History Insider s Language consistently Perform better on the American Board for Certification of Teacher Excellence in United States History Exam Learn faster and retain more information Feel more confident in their preparation Perform better in the classroom Gain more satisfaction in learning The ABCTE United States History Exam success guide focuses on the exam s Insider s Language It is an outstanding supplement to a traditional review program It helps your preparation for the exam become easier and more efficient The strategies puzzles and questions give you enough exposure to the Insider Language to use it with confidence and make it part of your long term memory The ABCTE US History Exam Success Guide is an awesome tool to use before a course of study as it will help you develop a strong working Insider s Language before you even begin your review Learn the Secret to Success on the ABCTE United States History Exam After nearly 20 years of teaching we discovered a startling fact Most students didn t struggle with the subject they struggled with the language It was never about brains or ability His students simply didn t have the knowledge of the specific language needed to succeed Through experimentation and research he discovered that for any subject there was a list of essential words that when mastered unlocked a student s ability to progress in the subject We called this set of vocabulary the Insider s Words When he applied these Insider s Words the results were incredible His students began to learn with ease He was on his way to developing the landmark series of Books and applications to teach this Insider s Language to students around the world Our books and applications are helpful to any student They are especially helpful to struggling students English language learners and students beginning a course of study The strongest students will also enjoy the puzzle and game aspect of the books In all cases the books provide an enjoyable break from the tedious and mundane experience of traditional test preparation Get your copy today , **Learn about the AP U.S. History Exam** LearningExpress (Organization),2018
