Napoleon In Germany, Louisa of Prussia and Her Times; A Historical Novel Louise Mühlbach, 2023-02-11 Reproduction of the original *Canadian Literary Landmarks* John Robert Colombo, 1984-01-01 Here is a list of three dozen of the top literary locales in the country The selection of sites is necessarily subjective yet it attempts to represent geographical historical social and cultural concerns as well as strictly literary interests Had this list been prepared by the editors of Michelin Guide they would have added asterisks or stars to the entries

Interesting Worth a detour Worth a journey It is the opinion of the author of Canadian Literary Landmarks that all thirty six sites are Worth a journey It is recognized that the average person is unlikely to visit No 1 not to mention No 36 but as these sites happen to be the first and last entries in the book they mark a convenient and symbolic beginning and ending No 1 being L Anse aux Meadows Epaves Bay Nfld and No 36 being the North Pole NWT **Flowers of fiction** ,1837 Book Notes Sidney Smith Rider,1916 Consisting of literary gossip criticisms of books and local historical matters connected with Rhode Island **Historic Homes of Waco, Texas** Kenneth Hafertepe,2019-02-14 Winner 2020 Ron Tyler Award for Best Illustrated Book on Texas History and Culture In this thoughtful tour of 120 historic homes in Waco Texas architectural historian Kenneth Hafertepe gives readers a glimpse of the surprising variety of styles and stories captured in the houses built by and for Wacoans Focusing on the period from the 1850s to about 1940 Hafertepe provides not only snapshots of the dwellings in which the people of Waco lived but also informed hints about how they lived everyone from the wealthiest merchants to the humblest day laborers Historic Homes of Waco Texas incorporates material gleaned from city directories fire insurance maps census and cemetery records and other archival and published sources to afford the most complete picture possible of how these homes came to be and what became of those who built and lived in them Over 120 color photographs also taken by the author round out the descriptions The popular enthusiasm for the television series featuring Waco area fixer uppers coupled with the burgeoning local industry generated by the show s two charismatic hosts has certainly boosted interest in historic homes and buildings in Waco Indeed Hafertepe has incorporated a handful of properties featured on the show among the houses profiled in this book But beyond any current entertainment craze Historic Homes of Waco Texas will stand the test of time as an authoritative and entertaining tribute to these important structures and the people who inhabited them *Combat Journal for Place d'Armes* Scott Symons,2010-03-01 Originally published in 1967 *Combat Journal for Place d'Armes* set in Montreal was initially met with shock and anger by most reviewers As D H Lawrence s *Lady Chatterley s Lover* once had it challenged the attitudes and morals held by most people in its time regarding life and literature Despite this initial reaction the novel earned author Scott Symons the Beta Sigma Phi Best First Canadian Novel Award and went on to be regarded as one of the most important statements about Canadian imaginative life in the 1960s Both a study of the emergence of a character s true self through his homosexual experiences and his critical examination of Canadian and especially French Canadian culture and traditions *Place d'Armes* was named one of the top hundred most important books in Canadian history Peter Buitenhuis the late author and former head of Simon Fraser University s English department has written that Symon s novel is a defiant assault on the Canadian Bourgeois mentality that celebrates human sexuality and spirituality with all the gusto that language can command **Library Journal** Melvil Dewey,Richard Rogers Bowker,L.
