

Michel Foucault Michel Foucault

Clare O'Farrell

Michel Foucault Michel Foucault:

The Lives of Michel Foucault David Macey, 2019-01-29 The classic biography of the radical French philosopher with a new afterword by acclaimed Foucault scholar Stuart Elden When he died of an AIDS related condition in 1984 Michel Foucault had become the most influential French philosopher since the end of World War II His powerful studies of the creation of modern medicine prisons psychiatry and other methods of classification have had a lasting impact on philosophers historians critics and novelists the world over But as public as he was in his militant campaigns on behalf of prisoners dissidents and homosexuals he shrouded his personal life in mystery In *The Lives of Michel Foucault* written with the full cooperation of Daniel Defert Foucault's former lover David Macey gives the richest account to date of Foucault's life and work informed as it is by the complex issues arising from his writings In this new edition Foucault scholar Stuart Elden has contributed a new afterword assessing the contribution of the biography in the light of more recent literature

Power/Knowledge Michel Foucault, 1980-11-12 Michel Foucault has become famous for a series of books that have permanently altered our understanding of many institutions of Western society He analyzed mental institutions in the remarkable *Madness and Civilization* hospitals in *The Birth of the Clinic* prisons in *Discipline and Punish* and schools and families in *The History of Sexuality* But the general reader as well as the specialist is apt to miss the consistent purposes that lay behind these difficult individual studies thus losing sight of the broad social vision and political aims that unified them Now in this superb set of essays and interviews Foucault has provided a much needed guide to Foucault These pieces ranging over the entire spectrum of his concerns enabled Foucault in his most intimate and accessible voice to interpret the conclusions of his research in each area and to demonstrate the contribution of each to the magnificent and terrifying portrait of society that he was patiently compiling For as Foucault shows what he was always describing was the nature of power in society not the conventional treatment of power that concentrates on powerful individuals and repressive institutions but the much more pervasive and insidious mechanisms by which power reaches into the very grain of individuals touches their bodies and inserts itself into their actions and attitudes their discourses learning processes and everyday lives Foucault's investigations of prisons schools barracks hospitals factories cities lodgings families and other organized forms of social life are each a segment of one of the most astonishing intellectual enterprises of all time and as this book proves one which possesses profound implications for understanding the social control of our bodies and our minds

Archaeology of Knowledge Michel Foucault, 2002 Foucault's classic methodological statement **O'Farrell: Michel Foucault (paper)** Clare O'Farrell, 2005-10-10 Michel Foucault's work is one of the most influential sources of ideas in the humanities and social sciences today Clare O'Farrell offers a comprehensive and accessible introduction to Foucault's enormous diverse and challenging output Her book provides a range of practical tools and a reference work for readers who wish to understand and apply his ideas at both introductory and advanced levels This volume includes a discussion of Foucault's situation in the

contemporary context exploring his role as an iconic thinker with clear explanations as to why his work is so difficult to come to grips with and also importantly why it is of interest to so many people the location of Foucault's work within its own historical social and political setting brief summaries in chronological order of all of Foucault's major works including the more recently published volumes of lectures the organization of Foucault's work around five distinct but interrelated series of assumptions which underpin his world view namely order history truth power and ethics Ideas for which he is well known such as archaeology genealogy discourse discipline governmentality the subject and others are defined and discussed within the framework of these five assumptions a chronology of Foucault's life work and times a very extensive list of key concepts in Foucault's work with detailed references pointing to where the relevant material can be found in his writings a wide ranging list of resources and a bibliography of Foucault's work for easy consultation

The Passion of Michel Foucault James Miller, 2000 Based on extensive new research and a bold interpretation of the man and his texts *The Passion of Michel Foucault* is a startling look at one of this century's most influential philosophers It chronicles every stage of Foucault's personal and professional odyssey from his early interest in dreams to his final preoccupation with sexuality and the nature of personal identity

Michel Foucault David Macey, 2005-03-01 With Michel Foucault Reaktion Books introduces an exciting new series that brings the work of major intellectual figures to general readers illuminating their groundbreaking ideas through concise biographies and cogent readings There is no better thinker than Foucault with which to begin the Critical Lives series Though reticent about his personal life for most of his career Foucault in the last years of his life changed his stance on the relationship between the personal and the intellectual and began to speak of an aesthetics of existence in which the life and the work become one David Macey a renowned expert on Foucault demonstrates that these contradictions make it possible to relate Foucault's work to his life in an original and exciting way Exploring the complex intellectual and political world in which Foucault lived and worked and how that world is reflected in his seminal works Macey paints a portrait of Foucault in which the thinker emerges as a brilliant strategist one who while fiercely promoting himself as a maverick aligned himself with particular intellectual camps at precisely the right moments Michel Foucault traces the philosopher's career from his comfortable provincial background to the pinnacle of the French academic system paying careful attention to the networks of friendships and the relations of power that sustained Foucault's prominence in the academy In an interview in 1966 Foucault said One ought to read everything study everything In other words one must have at one's disposal the general archive of a period at a given moment It is precisely this archive that Macey restores here accessibly relating Foucault's works to the particular context in which they were given form

Michel Foucault Sara Mills, 2003-09-02 It is impossible to imagine contemporary critical theory without the work of Michel Foucault His radical reworkings of the concepts of power knowledge discourse and identity have influenced the widest possible range of theories and impacted upon disciplinary fields from literary studies to anthropology Aimed at students approaching Foucault's texts

for the first time this volume offers an examination of Foucault's contexts a guide to his key ideas an overview of responses to his work practical hints on using Foucault an annotated guide to his most influential works suggestions for further reading Challenging not just what we think but how we think Foucault's work remains the subject of heated debate Sara Mills Michel Foucault offers an introduction to both the ideas and the debate fully equipping student readers for an encounter with this most influential of thinkers

Ethics Michel Foucault, 1997 Michel Foucault is generally considered one of the most brilliant and influential philosophers of the twentieth century yet much of his writing has remained unpublished and or unavailable in English It is only recently that the French publisher Gallimard issued *Dis et Ecrits* the first complete collection of everything Foucault published outside of his monographs *Ethics* the first of three volumes in the collection provides a lucid and accessible overview of Foucault's work Included in the first section of this volume are his groundbreaking analyses of penal institutions psychiatry biopolitics and the modern subject A second section contains interviews along with Foucault's key writings on ethics Winner of the Choice Outstanding Academic Book Award

Michel Foucault Lynn Fendler, 2014-10-23 Michel Foucault's influential work spanned a wide array of intellectual disciplines his writings having been widely taken up in philosophy history literary criticism and political theory Focusing on the implications of Foucault's theories for education whilst characterizing them as provocative problematizing poetic and playful Lynn Fendler describes the historical context for understanding Foucault's ground breaking critiques Including a discussion of his major theories of disciplinary power genealogy discourse and subjectivity this text provides generative explanations of concepts using analogies to the Internet and to food in order to connect Foucault's theories to everyday experience

The Archaeology of Knowledge Michel Foucault, 2012-07-11 Madness sexuality power knowledge are these facts of life or simply parts of speech In a series of works of astonishing brilliance historian Michel Foucault excavated the hidden assumptions that govern the way we live and the way we think *The Archaeology of Knowledge* begins at the level of things aid and moves quickly to illuminate the connections between knowledge language and action in a style at once profound and personal A summing up of Foucault's own methodological assumptions this book is also a first step toward a genealogy of the way we live now Challenging at times infuriating it is an absolute indispensable guide to one of the most innovative thinkers of our time

The Political Philosophy of Michel Foucault Mark G.E. Kelly, 2010-06-21 This book is the first to systematically reconstruct Foucault's political and philosophical thought across his career arguing that Foucault had a consistent but ever growing political and philosophical viewpoint

The Foucault Reader Michel Foucault, 1984-11-12 Michel Foucault was one of the most influential philosophical thinkers in the contemporary world someone whose work has affected the teaching of half a dozen disciplines ranging from literary criticism to the history of criminology But of his many books not one offers a satisfactory introduction to the entire complex body of his work *The Foucault Reader* was commissioned precisely to serve that purpose The Reader contains selections from each area of Foucault's work as well as a wealth of previously unpublished writings including

important material written especially for this volume the preface to the long awaited second volume of *The History of Sexuality* and interviews with Foucault himself in the course of which he discussed his philosophy at first hand and with unprecedented candor This philosophy comprises an astonishing intellectual enterprise a minute and ongoing investigation of the nature of power in society Foucault's analyses of this power as it manifests itself in society schools hospitals factories homes families and other forms of organized society are brought together in *The Foucault Reader* to create an overview of this theme and of the broad social and political vision that underlies it **Power** Michel Foucault, 2000 *Power* the third and final volume of the Foucault series draws together Foucault's contributions to what he saw as the still underdeveloped practice of political analysis Includes previously unpublished lectures later writings interviews and letters **The Order of Things** Michel Foucault, 2002 Possibly one of the most significant yet most overlooked works of the twentieth century it was *The Order of Things* that established Foucault's reputation as an intellectual giant **The Politics of Truth, New Edition** Michel Foucault, 2007-06 Two hundred years later Michel Foucault wrote a response to Kant's initial essay positioning Kant as the initiator of the discourse and critique of modernity *The History of Sexuality* Michel Foucault, 2012-04-18 Why we are so fascinated with sex and sexuality from the preeminent philosopher of the 20th century Michel Foucault offers an iconoclastic exploration of why we feel compelled to continually analyze and discuss sex and of the social and mental mechanisms of power that cause us to direct the questions of what we are to what our sexuality is **Michel Foucault** Dianna Taylor, 2014-12-05 Michel Foucault was one of the twentieth century's most influential and provocative thinkers His work on freedom subjectivity and power is now central to thinking across an extraordinarily wide range of disciplines including philosophy history education psychology politics anthropology sociology and criminology Michel Foucault Key Concepts explores Foucault's central ideas such as disciplinary power biopower bodies spirituality and practices of the self Each essay focuses on a specific concept analyzing its meaning and uses across Foucault's work highlighting its connection to other concepts and emphasizing its potential applications Together the chapters provide the main coordinates to map Foucault's work But more than a guide to the work Michel Foucault Key Concepts introduces readers to Foucault's thinking equipping them with a set of tools that can facilitate and enhance further study Abnormal Michel Foucault, 2003 Michel Foucault remains one of the towering intellectual figures of the last half century Michel Foucault's works on sexuality madness the prison and medicine are classics and his example continues to challenge and inspire The philosopher gave public lectures at the College de France from 1971 until his death in 1984 these lectures were seminal events and created benchmarks for contemporary critical inquiry The lectures comprising *Abnormal* begin by examining the role of psychiatry in modern criminal justice and its method of categorizing individuals who resemble their crime before they commit it Michel Foucault shows how and why defining abnormality and normality were prerogatives of power in the 19th century and shaped the institutions The College de France lectures add to our appreciation of the philosopher's thought and offer a unique

window into his way of thinking **Michel Foucault** Sara Mills, 2003 Michel Foucault has been written with students of literature in mind but its relevance like that of Foucault's remarkable work extends far beyond literary studies For anyone seeking to understand Foucault and the complex debates engendered by his work this volume is the essential first step

BOOK JACKET **The Cambridge Introduction to Michel Foucault** Lisa Downing, 2008-09-11 French philosopher and historian Michel Foucault is essential reading for students in departments of literature history sociology and cultural studies His work on the institutions of mental health and medicine the history of systems of knowledge literature and literary theory criminality and the prison system and sexuality has had a profound and enduring impact across the humanities and social sciences This introductory book written for students offers in depth critical and contextual perspectives on all of Foucault's major published works It provides ways in to understanding Foucault's key concepts of subjectivity discourse and power and explains the problems of translation encountered in reading Foucault in English The book also explores the critical reception of Foucault's works and acquaints the reader with the afterlives of some of his theories particularly his influence on feminist and queer studies This book offers the ideal introduction to a famously complex controversial and important thinker

Enjoying the Track of Term: An Mental Symphony within **Michel Foucault Michel Foucault**

In a global eaten by monitors and the ceaseless chatter of instantaneous transmission, the melodic beauty and emotional symphony created by the written word often diminish in to the back ground, eclipsed by the constant noise and disruptions that permeate our lives. Nevertheless, located within the pages of **Michel Foucault Michel Foucault** a charming fictional value overflowing with fresh feelings, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that interesting masterpiece conducts readers on an emotional trip, well unraveling the concealed songs and profound influence resonating within each carefully crafted phrase. Within the depths of this poignant review, we shall investigate the book is central harmonies, analyze its enthralling publishing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
