As such, these teenagers have varied characteristics that present unique conditions and challenges for librarians. *Serving Latino Teens* not only explains why providing targeted services to Latino teens is so critical but it also shows librarians and teen providers exactly how to best reach this demographic. Author Salvador Avila, a noted expert and popular lecturer on providing library services to Latino and Spanish-speaking communities, offers ideas and strategies that can be easily duplicated. Grounded in empirical evidence, this book presents what research has indicated is important to teens.
