**Sex, Moral Teaching, and the Unity of the Church** Timothy F. Sedgwick, 2014-10 Respected Episcopal ethicist Timothy F Sedgwick provides an alternative viewpoint on the homosexuality debate on the proposed Anglican Covenant and on mission and ministry He deals insightfully with what he thinks is a mistaken assumption in the Church and advances a cogent argument that the church needs to be clear in forming its moral teaching whether liberal or conservative The right question Sedgwick maintains is how do we teach morals and order our life accordingly This book evolved from his work over the last decade addressing same sex issues in the national church Chapters include Homosexuality Teaching and Governance in the Episcopal Church The Anglican Covenant What are Bishops for Anglican Roman Catholic Dialogue The Unity We Seek Moral Teaching Formation and the Mission of the Church A timely and lucid treatment of the single most controversial topic in the Episcopal Church Written by a preeminent Episcopal ethicist *Medical Humanities* Thomas R. Cole, Nathan S. Carlin, Ronald A. Carson, 2015 This textbook uses concepts and methods of the humanities to enhance understanding of medicine and health care Paging God Wendy Cadge, 2013-01-18 While the modern science of medicine often seems nothing short of miraculous religion still plays an important role in the past and present of many hospitals When three quarters of Americans believe that God can cure people who have been given little or no chance of survival by their doctors how do today s technologically sophisticated health care organizations address spirituality and faith Through a combination of interviews with nurses doctors and chaplains across the United States and close observation of their daily routines Wendy Cadge takes readers inside major academic medical institutions to explore how today s doctors and hospitals address prayer and other forms of religion and spirituality From chapels to intensive care units to the morgue hospital caregivers speak directly in these pages about how religion is part of their daily work in visible and invisible ways In Paging God Religion in the Halls of Medicine Cadge shifts attention away from the ongoing controversy about whether faith and spirituality should play a role in health care and back to the many ways that these powerful forces already function in healthcare today

Partnership with the Dying David H. Smith, 2005 What do physicians nurses chaplains and social workers think about moral and religious issues in care for the dying These professionals live with death including many untimely and difficult deaths on a daily basis Based on intensive interviews with a cross sample of health care professionals David H Smith details how the churches could not only be supportive of these primary caregivers in dealing with end of life issues but how they could enlist their help in informing their own congregations about the realities of death To care for the dying is spiritually demanding work Churches should not let health professionals struggle with religious issues whether of patients families or their own in isolation Smith s respondents offer powerful perspectives on the issue of physician assisted suicide Religious and theological ethics cannot afford to ignore insights and questions that come from those who deal with dying every day Finding meaning in the face of human suffering comes less from doctrine than from living a certain kind of life This book is a clarion
