All About My Passion

A passion is a strong feeling or emotion on a certain something or someone. To me a my passion is very important to me. My passion is to be active and to play sports.

Ever since I was young, I have had a huge passion for sports and competition. I tried and played different sports growing up, and I now play volleyball and basketball for a the middle school I attend. My passion first started when I was 4 years old and I played soccer with my big brother. At first I hated soccer because I didn't know how to play. Then I started to learn and I actually started playing games I began to love soccer. Throughout my early childhood ages I began to try new sports.

I believe my passion came from watching my siblings being active and playing sports. When I was younger I used to always try and copy my brother and do all the drills his team was doing when he was at football practice. I believe it also could have came from my uncle because my uncle loves sports to and he taught me a lot when it came down to certain sports.

Im passionate about playing sports and being active because it brings joy into my life and lets me have a little fun in my life. Playing sports makes me feel more loose and free with my life, it makes my life less stressful. Also I like playing sports because I like to challenge myself and be more competitive.

There is something that I love about working hard, competing and getting better. My passion for sports was lead by several positive people and coaches who taught me what sports are really about.

My experiences in sports have helped me understand that coaches emphasize that sports are a place to have fun, learn good sportsmanship and give 100%. If success in youth sports can be defined more by passion and effort and sportsmanship than by travel, scoreboards, and trophies, all kids can enjoy sports and competition regardless of their ability.

People that can get involved is scouts from nearby highschoools. Scouts is when a highschool or college comes to a game and watches how you play. They usually see if you stand out and how you play mentally and physically.

My passion doesn't really have a lot to do with my future goal in career wise. but, in highschool I want to continue to play sports and be competitive and active.

And that's all about my passion.
