Passion Provocation And Prophecy:

The Art of Prophecy David Breeden, 2021-06-18 This book length poem imagines the Hebrew prophet Amos writing his memoirs from beyond the grave Born into poverty and obscurity Amos the shepherd and sycamore pruner faced daunting challenges in his attempts to follow what he heard as God's charge to change the social structures of his time He had his vocation and his art but what chance did he have against entrenched political corruption and religious hypocrisy As Amos examines his life his art his message and his failure he recognizes the impossibilities of the trackless path out of the desert that he walked in life and he faces the awful truth that reality has authors The poor do not write that reality and Amos takes both pride and umbrage that he is recorded forever in the biblical canon as a major minor prophet From the comfort of the afterlife Amos explores life's deepest questions with such companions as Laozi King David William Shakespeare and Michel Foucault Amos learns that telling the truth isn't easy or perhaps possible even from beyond the grave Still he cannot avoid considering human existence and asking Is it necessary to speak truth to power when victory is impossible A

Sacramental-Prophetic Vision Matthew T. Eggemeier, 2014-04-23 The sacramental and prophetic traditions of Christian spirituality suggests Matthew Eggemeier possess critical resources for responding to the contemporary social crises of widespread ecological degradation and the innocent suffering of the crucified poor In *A Sacramental Prophetic Vision* Eggemeier maintains that the vital key for cultivating these traditions in the present is to situate these spiritualities in the context of spiritual exercises or ascetical practices that enable Christians to live more deeply in the presence of God coram Deo and in turn to make this presence visible in a suffering world Prophets as Performers Jeanette Mathews, 2020-03-04

The biblical prophets and Biblical Performance Criticism are brought together in three case studies Elijah Ezekiel Jonah presented as performances This book proposes a new method of reading the biblical prophets with a threefold focus on creativity commentary and connections With this method the many and varied performances of the prophets can be better appreciated Critical analysis of the quintessentially performative nature of the prophets as embodied spokespersons for YHWH aids us in understanding and clarifying YHWH's message to audiences situations and communities of the past as well as engaging contemporary audiences Wisdom of the Prophet Muhammad: A Compendium of Prophetic Hadith. ideal for researchers and scholars of Islam as well as those wishing to gain a greater understanding of the legacy of the Prophet Muhammad S in this era when misconceptions abound Translated lucidly and meticulously it is presented in a bilingual Arabic English edition with periodic commentary **False Prophets** James Martin Gillis,1925 Tyranny Lessons,2020-08-31 The 21st century has seen a resurgence of authoritarian rule that often replicates past totalitarian systems but is more refined and nuanced in its strategies of repression and exploitation Entertainment media international travel and prosperity create the appearance of flourishing individual freedoms while our lives and thoughts are increasingly monitored and manipulated This disturbing trend raises the question of what exactly is meant by tyranny in its contemporary forms In Tyranny Lessons international writers from a dozen countries in Asia the Middle East Europe and the Americas address these challenges as only literary writing can through the perspective of lived experiences imagined futures and personal struggles Tyranny Lessons also features the photography of Danny Lyon the first photographer of the Student Non violent Coordinating Committee whose work documented the Civil Rights movement in the 1960s **The Minor Prophets** Paul Kleinert,Otto Schmoller,George R. Bliss,Talbot W. Chambers,Charles Elliott,John Forsyth,J. Frederick McCurdy,Joseph Packard,2024-05-09 Reprint of the original first published in 1875 The Book of the Prophecies of Isaiah John Edgar McFadyen,1910 The book of Genesis expounded in a series of discourses Robert Smith Candlish,1868 The Preacher's Complete Homiletical Commentary on the Old Testament: Minor Prophets,1892 Essayists and Prophets Harold Bloom,2009 Presents a compilation of Bloom s introductions to the Modern critical views and Modern critical interpretations series of books focusing on twenty essayists and prophets **Prophetic Wisdom** Charles R. Strain,2024-06-01 Classical Buddhism lacked an understanding of systemic injustice and its contribution to collective suffering Despite the teaching of impermanence classical Buddhist schools viewed social institutions as given and offered no path to social transformation Today Buddhists are shaped by multiple religious and secular traditions including those stemming from the Hebrew prophets The prophetic tradition offers a socially and religiously powerful concept the concept of justice that reconfigures the Buddhist dharma In a time of unparalleled peril Buddhists are challenged as never before to turn wisdom into strategic action to foster systemic social change Compassion is not enough Prophetic Wisdom shows how Engaged Buddhists can expand their understanding of the causes of collective suffering and develop nonviolent means for social transformation through a dialectic of love power and justice It concludes by confronting the poison of racism in the American body politic Christ's Warning to Churches to beware of false Prophets, ... illustrated in two discourses on Matt. vii. 15, 16 Joseph LATHROP,1811 **An Introduction to the Old Testament** Samuel Davidson,1862 **An introduction to the Old Testament, critical, historical, and theological** Samuel Davidson,1862 **Contributions Towards the Exposition of the Book of Genesis** Robert Smith CANDLISH,1868 Commentary on the Twelve Prophets, Volume 3 Saint Cyril (Patriarch of Alexandria),2007 This final volume in a series of three contains Cyril s commentary on Zephaniah Haggai Zechariah and Malachi Applying his knowledge

of ancient Israelite history in his analysis of the immediate context for each of these prophetic books Cyril believes that Zephaniah was addressed to the residents of Jerusalem in the years preceding the Babylonian Exile and the other three were addressed to a newly repatriated post exilic nation An emphasis on theodicy is a primary theme of this book God's love for humankind says Cyril is expressed in the many warnings sent through the prophets and in the ample amount of time that God allows for people to repent When no repentance ensues God sends harsh but just punishments employing the brutality of enemy nations as his instruments yet always doing so with the loving purpose of returning his people to himself Cyril's focus on the historical details of the Old Testament is matched by his concern for the Church of his own day Where the prophetic oracles mention the Jewish priesthood altar or sacrifices Cyril takes the opportunity to exhort Christian priests to preserve their moral purity and to fulfill their liturgical duties with devotion This extrapolation from the ancient to the contemporary from Israel to the Church is compatible with the typological interpretation that Cyril utilizes in conjunction with his literal historical approach The Temple is a type or foreshadowing of the Church and the sacrificial lamb of the Passover prefigures Christ Thus Cyril maintains his connection with the Alexandrian tradition of allegorical exegesis while presenting a balanced multi faceted interpretation that applies passages from many other parts of the Bible to extract a wealth of meaning from the prophetic books
