Scientific that was published in Religions **Dreaming the Future** Clifford A. Pickover, 2001-03 For countless generations people of every culture have practiced a broad range of dramatic and sometimes frightening techniques to peer into the future In this fascinating book acclaimed author Clifford Pickover presents a nearly exhaustive list of fortune telling techniques from the ominous practice of human sacrifice to reading clues on the Internet Pickover not only explores a vast and colorful array of methods of prediction including dreaming he also evaluates the accuracy of some of the most astonishing prophecies made throughout history Just how accurate were such famous soothsayers as Nostradamus the Delphic Oracle Edgar Cayce the children of Fatima whose third vision has only recently been revealed and dozens more This book takes us one step further by exploring our own inner psyches Why does looking into the future provide a source of solace in a world filled with uncertainty disease and chance And why do the most noted prognosticators so often warn of natural catastrophes of biblical proportions such as earthquakes and floods that will signal the end of the world Through insight and wit Pickover will unlock the door of your imagination with engrossing mysteries intriguing illustrations and even modern patents and computer techniques Also included is a range of practical experiments and recipes from Stone Age to New Age Prepare yourself for a strange but captivating ride **The Death of Psychotherapy** Donald A. Eisner, 2000-01-30 Psychologist attorney Eisner puts psychotherapy on trial by critically examining its effectiveness through the lens of the scientific method From psychoanalysis to cognitive behavior therapy as well as the 500 or so other psychotherapies there is not a single experimental study that supports the effectiveness of psychotherapy over a placebo or religious healing Using both case examples and clinical research this book challenges the conclusion that there is empirical support for the notion that psychotherapy is effective Clear Your Karma Kelly Wallace, 2017-12-31 Is Karma Affecting You Do you have trouble accomplishing your goals Do you keep repeating patterns no matter how hard you try to change Do you seem to run into one obstacle after another Does everything good seem out of reach Do you find it hard to focus make money lose weight find love be happy Is success impossible to find or always short lived If you answered yes to even one of these questions it s a sure sign that past life karma is controlling your life You aren t alone though Nearly everyone on this planet is subconsciously making decisions and taking direction from past life influences No matter how hard you try you can t accomplish your goals because it s impossible to get your past life selves to work in harmony with your present self unless you know how Throughout this book I ll talk about why past lives exist why they have such a hold on you and simple steps to overcome your karmic influences All of the information I write about comes from personal experience after investigating my own past lives as well as decades of being a psychic counselor to thousands of clients each and every year Now let's get to work on clearing Past Lives, Future Loves Richard Sutphen, 1978 Past Lives, Future Loves Dick Sutphen, 1984-09-03 your karma
