Pathological Christianity The Dangers And Cures Of Extremist Fundamentalisms:

Pathological Christianity Gregory Max Vogt, 1994-06-01 With a passion reminiscent of Martin Luther posting his 95 theses on the church door in 1517 Gregory Max Vogt a clinical psychologist turns the heat on current American evangelical fundamentalisms whose effects he says are in every single nook and cranny of current American [Cataloging Bulletin](#) Hennepin County Library. Cataloging Section, 1994 [Mythography](#) William G. Doty, 2000-03-21 Doty humanities and religious studies U of Alabama focuses not on materials from antiquity but on modern approaches to myths and rituals in the major schools of interpretation Rewritten and restructured this new edition first 1986 has expanded coverage of postmodern and post structuralist perspectives mythic iconography neo Jungian approaches and cultural studies and also includes a summary of new approaches to Greek myth French classical scholarship and ritual studies Other features include a glossary an up to date annotated bibliography and a guide to myth on the Internet Annotation copyrighted by Book News Inc Portland OR [Subject Guide to Children's Books in Print 1997](#) Bowker Editorial Staff, R R Bowker Publishing, 1996-09 [Books in Print](#), 1991 **Our Families, Our Values** Robert Goss, Amy Adams Squire Strongheart, 2019-07-16 Our Families Our Values challenges both the gay community and American society to examine carefully the meaning of family values and the nature of social institutions such as marriage and the family It asks you provoking even disturbing questions such as Is it prudent for members of the Lavender community to mimic heterosexual marriage or define personal relations networks as families when these institutions are rapidly collapsing Are we attempting to mainstream American society into accepting different views of marriage and families Are we subscribing to notions of sexual property that are inherent to the marriage ceremony and the institution of marriage when we choose to be married Despite the complexities of this issue marriage constitutes a privileged position in western society and as this book shows you without the legal recognition of same sex marriages there are many fundamental rights as well as privileges denied to gay lesbian bisexual and transgendered persons As Our Families Our Values turns upside down the widely accepted notion that only heterosexual people are entitled to get married have sex and rear children you gain insight into personal struggles and affirmations that testify to the spirituality procreativity and wholesomeness of the diverse relationships of the Lavender community You will also learn about various ongoing efforts to give religious pride to the various configurations of gay relationships families and values and the disruption of popular interpretations of the Scriptures that have been used to justify the oppression of sexual minorities This book will intrigue you over and over again as you read about value systems transphobia equal marriage rights Buddhism's rejection of traditional family values Brazil's sex positive culture differences between gay male social formations and families choosing a language and terms that empower sexual minorities and the essence of the liberation movement sex as communion relationships based on nurture not transaction Designed for academics and students of religion pastors priests rabbis and lay readers alike Our Families Our Values is a multifaceted view of the gay community's response to the public controversy over gay marriage

adoption and foster care rights Ideal as a textbook for courses in sexuality theology sociology women s studies and gay and lesbian studies this book will both inform you and delight you as it reminds you that same sex unions bring much cause for celebration and that religion and homosexuality are not mutually exclusive *The Writers Directory* ,1996 **The Writer's Directory, 1998-2000** Miranda H. Ferrara,1995 Information on more than 17 500 living authors from English speaking countries **Muslims and the Gospel** Roland E. Miller,2005 The author s five decades of personal experience leads him to conclude that it is possible to be a witness to the Gospel and be a friend to Muslims at the same time The author outlines key factors in the Muslim understanding of the Gospel examines some bridges and defines the art of sharing He concludes by assessing the possibilities of such a mission Books In Print 2004-2005 Ed Bowker Staff,Staff Bowker, Ed,2004

Winning Revolutions J. Harold Ellens,2013-11-26 The product of 35 senior scholars research these volumes examine the psychology driving the religious political and economic forces that cause turbulence and violence in human society Religious political and economic revolts have defined the human experience throughout history These kinds of universal turbulence continue to be the dominate source of human suffering and perplexity during the first decade of the 21st century What can intensive study of the psychodynamics of cultural and social eruptions tell us that may serve to move cultures around the world beyond ongoing strife This work seeks to find out examining the spectrum of cultural and social eruptions from ancient Jewish Christian and Muslim revolutions to the modern day economic and political turbulence in Eastern Europe the Near East and Latin America The breadth of this three volume set ranges from the 12th century BCE to the current struggles in Iraq Afghanistan and Syria and from the irrational violence of the French Revolution to the genuine quest for liberty of the American Revolution and the Singing Revolutions in the Baltic States in recent decades Each volume is introduced with a description of its philosophical perspective and concludes with a brief summarization of the takeaways of the research presented **Subject Guide to Books in Print** ,1991 **Terrorist Assemblages** Jasbir K. Puar,2018-01-26 Tenth Anniversary Expanded Edition Ten years on Jasbir K Puar s pathbreaking *Terrorist Assemblages* remains one of the most influential queer theory texts and continues to reverberate across multiple political landscapes activist projects and scholarly pursuits Puar argues that configurations of sexuality race gender nation class and ethnicity are realigning in relation to contemporary forces of securitization counterterrorism and nationalism She examines how liberal politics incorporate certain queer subjects into the fold of the nation state shifting queers from their construction as figures of death to subjects tied to ideas of life and productivity This tenuous inclusion of some queer subjects depends however on the production of populations of Orientalized terrorist bodies Heteronormative ideologies that the U S nation state has long relied on are now accompanied by what Puar calls homonationalism a fusing of homosexuality to U S pro war pro imperialist agendas As a concept and tool of biopolitical management homonationalism is here to stay Puar s incisive analyses of feminist and queer responses to the Abu Ghraib photographs the decriminalization of sodomy in the wake of the Patriot Act

and the profiling of Sikh Americans and South Asian diasporic queers are not instances of a particular historical moment rather they are reflective of the dynamics saturating power sexuality race and politics today This Tenth Anniversary Expanded Edition features a new foreword by Tavia Nyong'o and a postscript by Puar entitled Homonationalism in Trump Times Nyong'o and Puar recontextualize the book in light of the current political moment while reposing its original questions to illuminate how Puar's interventions are even more vital and necessary than ever

The Fundamentals of Extremism Kimberley Blaker, 2003 The politics educational policies and social values perpetuated by Christian fundamentalists are exposed in this critical perspective on the religious right's role in American society Statistics and studies of the movement are offered that provide insight into the causes and characteristics of fundamentalism and its effects on minority groups including women children African Americans gays and lesbians Essays from a variety of authors consider the path to theocracy the effect of the theology of inerrancy on politics and the state of fundamentalism in the United States after the September 11 2001 terrorist attacks

The Politics and Practice of Religious Diversity Andrew Dawson, 2016-04-20 The Politics and Practice of Religious Diversity engages with one of the most characteristic features of modern society An increasingly prominent and potentially contentious phenomenon religious diversity is intimately associated with contemporary issues such as migration human rights social cohesion socio cultural pluralisation political jurisdiction globalisation and reactionary belief systems This edited collection of specially commissioned chapters provides an unrivalled geographical coverage and multidisciplinary treatment of the socio political processes and institutional practices provoked by and associated with religious diversity Alongside chapters treating religious diversity in the BRIC countries of Brazil Russia India and China are contributions which discuss Australia Finland Mexico South Africa the UK and the United States This book provides an accessible distinctive and timely treatment of a topic which is inextricably linked with modern society's progressively diverse and global trajectory Written and structured as an accessible volume for the student reader this book is of immediate interest to both academics and laypersons working in mainstream and political sociology sociology of religion human geography politics area studies migration studies and religious studies

Competing Fundamentalisms Sathianathan Clarke, 2017-03-29 Why do certain groups and individuals seek to do harm in the name of God While studies often claim to hold the key to this frightening phenomenon they seldom account for the crucial role that religious conviction plays not just in radical Islam but also in the fundamentalist branches of the world's two other largest religions Christianity and Hinduism As the first book to examine violent extremism in all three religions together *Competing Fundamentalisms* draws on studies in sociology psychology culture and economics while focusing on the central role of religious ideato paint a richer portrait of this potent force in modern life Clarke argues that the forces of globalization fuel the aggression of these movements to produce the competing feature of religious fundamentalisms which have more in common with their counterparts across religious lines than they do with the members of their own religions He proposes ways to deescalate religious violence in the

service of peacemaking Readers will gain important insights into how violent religious fundamentalism works in the world's three largest religions and learn new strategies for promoting peace in the context of contemporary interreligious conflict

Losing My Religion Tom Frame, 2010-10-14 In this challenging and provocative book Tom Frame one of Australia's best known writers on religion and society examines diminishing theological belief and declining denominational affiliation He argues that Australia has never been a very religious nation but that few Australians have deliberately rejected belief most simply can't see Jesus, Prince of Hell Adam Weishaupt, 2013-01-26 You many think you know everything you need to

know about the historical figure Jesus Christ but every cherished belief you have is false Jesus Christ is a fraud For a start his name wasn't Jesus Christ but Yehoshua ben Yosef And just as his name is a fiction designed to disguise the truth so is everything else about him We will demonstrate the following 1 The central promise of Christianity the resurrection of the dead is utterly wrong The Christian Gospels demonstrate conclusively that Jesus Christ was reincarnated 2 Jesus Christ was the central figure in one of the most audacious plots in history 3 He was head of an Elite Family that wished to rule the world The Family exists to this day 4 Jesus Christ was the leader of an army that sought to overthrow Roman rule in Judea He was executed as a violent revolutionary attempting to set himself up as a king 5 Judas the infamous traitor was the brother of Christ The greatest lie in history has endured too long **Thinking on the Edge: An Interdisciplinary Look at**
