### **Patriot Of Persia Muhammad Mossadegh And A Tragic Anglo American Coup**

**Patriot of Persia** Christopher de Bellaigue, 2012-05-15 A study of the life and leadership of the former Iranian prime minister and how Britain and the United States overthrew his government On August 19 1953 the American and British intelligence agencies launched a desperate coup in Iran against a cussed bedridden seventy two year old man His name was Muhammad Mossadegh and his crimes had been to flirt with communism and to nationalize his country's oil industry which for forty years had been in British hands To Winston Churchill the Iranian prime minister was a lunatic determined to humiliate Britain To President Dwight Eisenhower he was delivering Iran to the Soviets Mossadegh must go And so he did in one of the most dramatic episodes in modern Middle Eastern history But the countries that overthrew him would in time deeply regret their decision Mossadegh was one of the first liberals of the Middle East a man whose conception of liberty was as sophisticated as any in Europe or America He wanted friendship with the West but not slavish dependence He would not compromise on Iran's right to control its own destiny The West therefore sided against him and in favor of his great foe Shah Muhammad Reza Pahlavi Who was this political guerilla of noble blood who was so adored in the Middle East and so reviled in the West Schooled in Europe of the Belle Epoque Mossadegh was pitted against dictatorship at home a struggle that almost cost him his life and had tragic consequences for his family By the time of the Shah's accession in 1941 Mossadegh had become the nation's conscience and he spent the rest of his life in conflict with a monarch whose despotic regime was eventually toppled in the Islamic Revolution of 1979 Here for the first time is the political and personal life of a remarkable patriot written by our foremost observer of Iran Drawing on sources in Tehran and the West Christopher de Bellaigue reveals a man who not only embodied his nation's struggle for freedom but also was one of the great eccentrics of modern times and uncovers the coup that undid him Above all the life of Muhammad Mossadegh serves as a warning to today's occupants of the White House and Downing Street as they commit to further intervention in a volatile and unpredictable region **Our**
