FLETCHER, 2018 *Paul Gauguin, His Life and Art - Scholar's Choice Edition* John Gould Fletcher, 2015-02-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Paul Gauguin Russell T. Clement, 1991-07-30 This first comprehensive research guide and annotated bibliography of Paul Gauguin includes information on more than 1500 books and articles on the artist as well as a comprehensive chronology and list of exhibitions The secondary bibliography is arranged by topics and includes citations on the artist s life and career his relationships with contemporary artists in France including Vincent van Gogh his life and work in Panama Martinique Tahiti and the Marquesas Islands his oeuvre in general and in various media self portraits iconography and more The French artist

Paul Gauguin continues to be a larger than life figure whose mystique exerts its spell on popular critical and scholarly minds. Consequently the available literature on the artist is copious and marked by diversity of opinion on every aspect of his life and work. From the first book length biography of Gauguin written by Louis Brouillon in 1906 interest in Gauguin has continued unabated and since 1959 critical interest in the artist's drawings, prints, sculptures and art works in other media has dramatically increased. Russell T. Clement has compiled the first comprehensive research guide and annotated bibliography on Gauguin. This volume encompasses primary materials by Gauguin including those published during the artist's lifetime and those published posthumously, contemporary accounts and criticism of Gauguin's life and work published through 1906, descriptions of the artist's oeuvre, a lengthy secondary bibliography and a section that catalogs exhibitions of Gauguin's work between 1884 and 1989. While concentrating on printed materials, this guide also includes selected manuscripts in all more than 1500 books and articles are cited. For entries where titles give incomplete or unclear information about works and their content, the author provides brief annotations. Following a biographical sketch and chronology, the primary bibliography lists articles, essays, letters, manuscripts and sketch books of Gauguin and then accounts and critiques of Gauguin's life and work published through 1906. The main part of the bibliography and research guide, the secondary bibliography, lists monographs, catalogues, dissertations, theses, periodical literature, films, sound recordings and musical scores and selected newspaper articles. Substantial book reviews and exhibition reviews are also included. Arranged by topic, the secondary bibliography also includes citations on Gauguin's relationships with contemporary artists in France, his work in Panama and Martinique, his work and life in Tahiti and the Marquesas Islands and his oeuvre in general. Not just a list of sources but a complete research guide, this volume deserves a place in every research library collection. **Wild**

**Thing** Sue Prideaux, 2025-05-13 One of Literary Hub's Most Anticipated Books of 2025 One of Five Books Best Nonfiction Books of 2024 Shortlisted for the 2024 Baillie Gifford Prize An original and revealing portrait of the misunderstood French Post Impressionist artist Paul Gauguin's legend as a transgressive genius arises as much from his biography as his aesthetically daring Polynesian paintings. Gauguin is chiefly known for his pictures that eschewed convention to celebrate the beauty of an indigenous people and their culture. In this gorgeously illustrated myth busting work Sue Prideaux reveals that while Gauguin was a complicated man, his scandalous reputation is largely undeserved. Self taught, Gauguin became a towering artist in his brief life, not just in painting but in ceramics and graphics. He fled the bustle of Paris for the beauty of Tahiti where he lived simply and worked consistently to expose the tragic results of French Colonialism. Gauguin fought for the rights of Indigenous people, exposing French injustices and corruption in the local newspaper and acting as advocate for the Tahitian people in the French colonial courts. His unconventional career and bold, breathtaking art influenced not only Vincent van Gogh but Matisse and Picasso. **Wild Thing** upends much of what we thought we knew about Gauguin through new primary research, including the resurfaced manuscript of Gauguin's most important writing, the untranslated memoir of

Gauguin's son and a sample of Gauguin's teeth that disproves the pernicious myth of his syphilis. In the first full biography of Paul Gauguin in thirty years, Sue Prideaux illuminates the extraordinary oeuvre of a visionary artist vital to the French avant-garde. The result is a brilliantly readable and compassionate study of Gauguin not just as a painter, sculptor, carver, and potter but as a human soul perpetually searching for what is always just out of reach. *Artemis Cooper Spectator* **Gauguin** Ingo F. Walther, Paul Gauguin, 2000. A Frenchman in Tahiti. After starting a career as a bank broker, Paul Gauguin, born 1848, turned to painting only at age twenty-five. After initial successes within the Impressionist circle, he broke with Vincent van Gogh and subsequently, when private difficulties caused him to become restless, embarked on a peripatetic life wandering first through Europe and finally in the search for pristine originality and unadulterated nature to Tahiti. The paintings created from this time to his death in 1903 brought him posthumous fame. In pictures devoid of any attempt at romantically disguising the life style of the primitive island peoples, Gauguin was able to convey the magical effect that both the landscapes and life of the natives, their body language, charm, and beauty had on him. Wearying of his reputation as a South Sea painter, Gauguin finally determined to return to France but died of syphilis on the Marques Islands before his departure. About the Series. Each book in TASCHEN's Basic Art series features a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance, a concise biography, approximately 100 illustrations with explanatory captions. *Paul Gauguin: His Life and Art ... With Ten Illustrations* John Gould FLETCHER, Paul Gauguin, 1921 **Paul Gauguin** David Sweetman, 1995. This biography of the French artist describes his travels, lifestyle, love affairs, and the battle with syphilis that eventually took his life. **PAUL GAUGUIN** John Gould 1886-1950 Fletcher, 2016-08-26. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world, and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity, individual, or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant. **The Intimate Journals of Paul Gauguin** Paul Gauguin, 1985. First Published in 1985. Routledge is an imprint of Taylor & Francis, an informal company. **The Enigmatic Gauguin: Unveiling the Mystery of His Art** Pasquale De Marco, 2025-07-09. Embark on an artistic voyage through the life and works of Paul Gauguin, a groundbreaking figure who revolutionized the art world with his bold and expressive style. In this comprehensive exploration, we delve into Gauguin's artistic journey, uncovering the secrets behind his unique approach.

and examining the profound impact he had on the art world From his early days as a stockbroker to his transformation into a passionate artist Gauguin's path was marked by both triumphs and tribulations We witness his artistic awakening fueled by a burning desire to break free from societal conventions and explore the raw beauty of the natural world His travels to Tahiti and the Marquesas Islands provided him with an escape from the confines of Western civilization allowing him to immerse himself in the vibrant colors and rich cultural traditions of these exotic lands Gauguin's art reflected his fascination with the primitive and his quest for authenticity He sought to capture the essence of these cultures through bold vibrant colors and expressive lines creating works that challenged traditional notions of beauty and representation His paintings such as *The Yellow Christ* and *Two Tahitian Women* became iconic symbols of his unique artistic vision Beyond his artistic achievements Gauguin was a prolific writer leaving behind a wealth of letters essays and theoretical writings that shed light on his artistic philosophy and personal struggles His writings offer a glimpse into the mind of a complex and enigmatic artist revealing his deep contemplation of art life and the human condition As we delve into Gauguin's story we encounter a man of contradictions and complexities He was a restless spirit driven by an insatiable thirst for adventure and new experiences Yet he also battled inner demons including poverty ill health and personal turmoil Through his art Gauguin sought to transcend these challenges and create a world of his own a world where beauty and primitivism intertwined and where the boundaries of artistic expression were pushed to their limits This book is a celebration of Gauguin's artistic genius and a testament to his enduring legacy Through his groundbreaking works and his passionate pursuit of artistic freedom Gauguin changed the course of art history and continues to inspire generations of artists and art enthusiasts alike If you like this book write a review

[Gauguin: His Life & Works in 500 Images](#) Susie Hodge, 2015-02-07 An expert account of the post Impressionist artist Paul Gauguin who defied convention to pursue his art in the South Seas stunning illustrated throughout **Tainted Paradise: A Study of the Life and Art of Paul Gauguin** Martin Tow, 2008-06-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world's literature in affordable high quality modern editions that are true to the original work

[The Writings of a Savage](#) Paul Gauguin, 1978 A collection of Gauguin's writings **Lives of the Most Excellent Painters, Sculptors and Architects** Giorgio Vasari, 2023-12-01 Giorgio Vasari's *Lives of the Most Excellent Painters Sculptors and Architects* serves as a foundational cornerstone in the understanding of Renaissance art and artists Written in a compelling and biographical style the book presents a series of vivid portraits of prominent artists offering insights into their lives techniques and the sociocultural context in which they worked Through his detailed narratives Vasari not only chronicles the triumphs and tribulations of these creative figures but also imbues the text with his critical assessment of their contributions bridging the evolution of artistic endeavors from the Medieval period through the

Renaissance Vasari himself a painter and architect was deeply embedded in the artistic milieu of 16th century Italy His firsthand experiences and relationships with the artists he profiles inform the text as he offers a privileged insider s viewpoint of the artistic process and the challenges associated with it Driven by a desire to elevate the status of artists and to document their legacies Vasari s work reflects both his reverence for art and his ambition to create a comprehensive historical record *Lives of the Most Excellent Painters Sculptors and Architects* is essential reading for anyone interested in the vibrant tapestry of Renaissance art Its combination of biography critique and art history makes it valuable for both scholars and those new to the subject Readers will find themselves captivated not only by the stories of the artists but also by the profound impact their work has had on culture and creativity     *The Bookman's Manual* Bessie Graham,1924     **Paul Gauguin** Susan Wise,1980     **Gauguin by Himself** Paul Gauguin,1993 This stunning book gives equal weight to Gauguin s activities as a writer and an artist providing rare insight into his tumultuous life Over 230 works of art and many letters written to family and fellow artists such as Pissaro and Van Gogh     *Art Books* Wolfgang M. Freitag,1997 Expanded to twice as many entries as the 1985 edition and updated with new publications new editions of previous entries titles missed the first time around more of the artists own writings and monographs that deal with significant aspects or portions of an artist s work though not all of it The listing is alphabetical by artist and the index by author The works cited include analytical and critical biographical and enumerative their formats range from books and catalogues raisonnées to exhibition and auction sale catalogues A selection of biographical dictionaries containing information on artists is arranged by country Annotation copyrighted by Book News Inc Portland OR
