developed by Retro Studios and Nintendo for the Nintendo GameCube released in North America on November 17 2002 and
in Japan and Europe the following year It is the first 3D game in the Metroid series the fifth main installment and is classified
by Nintendo as a first person adventure rather than a first person shooter due to the large exploration component of the
game and its precedence over combat Metroid Prime along with the Game Boy Advance game Metroid Fusion that was
released alongside it on the same day in North America marked the return of the Metroid series after eight years the last
game in the franchise had been 1994 s Super Metroid Metroid Prime is the first of the three part Prime storyline which takes
place between the original Metroid and Metroid II Return of Samus Like previous games in the series Metroid Prime has a
science fiction setting in which players control the bounty hunter Samus Aran The story follows Samus as she battles the
Space Pirates and their biological experiments on the planet Tallon IV The game was a collaborative effort between Retro s
staff in Austin Texas and Japanese Nintendo employees including producer Shigeru Miyamoto who was the one who
suggested the project after visiting Retro s headquarters in 2000 Despite initial backlash from fans due to the first person
perspective the game was released to both universal acclaim and commercial success selling more than a million units in
North America alone It not only won a number of Game of the Year awards but it is also considered by many critics and
gamers to be one of the greatest video games ever made and remains one of the highest rated *Metroid* ,2017 **Pinball**
