Mexican Public Intellectuals D. Castillo, S. Day, 2014-04-16 In Mexico the participation of intellectuals in public life has always been extraordinary and for many the price can be high Highlighting prominent figures that have made incursions into issues such as elections human rights foreign policy and the drug war this volume paints a picture of the ever changing context of Mexican intellectualism Anarchism in Latin America Ángel J. Cappelletti, 2018-02-13 The available material in English discussing Latin American anarchism tends to be fragmentary country specific or focused on single individuals This new translation of ngel Cappelletti s wide ranging country by country historical overview of anarchism s social and political achievements in fourteen Latin American nations is the first book length regional history ever published in English With a foreword by the translator ngel J Cappelletti 1927 1995 was an Argentinian philosopher who taught at Simon Bolivar University in Venezuela He is the author of over forty works primarily investigating philosophy and anarchism Gabriel Palmer Fernandez is Distinguished Professor of Philosophy and Religious Studies at Youngstown State University Texans in World War II Christopher B. Bean, 2022-08-24 Texans in World War II offers an informative look at the challenges and changes faced by Texans on the home front during the Second World War This collection of essays by leading scholars of Texas history covers topics from the African American and Tejano experience to organized labor from the expanding opportunities for women to the importance of oil and agriculture Texans in World War II makes local the frequently studied social history of wartime bringing it home to Texas An eye opening read for Texans eager to learn more about this defining era in their state s history this book will also prove deeply informative for scholars students and general readers seeking detailed definitive information about World War II and its implications for daily life economic growth and social and political change in the Lone Star State North American Regionalism and Global Spread I. Hussain, R. Dominguez, 2015-02-19 Was the 1993 North American Free Trade Agreement NAFTA designed as a definitive trade agreement or as a stepping stone This book reviews NAFTA s performances on trade investment intellectual property rights dispute settlement as well as environmental and labor side agreements within a theoretical construct **Beyond Banned Books** Kristin Pekoll, 2019-05-01 This resource from Pekoll Assistant Director of the American Library Association's Office for Intellectual Freedom OIF uses specific case studies to offer practical guidance on safeguarding intellectual freedom related to library Latin America 2016-2017 Blair Turner, 2016-08-30 A displays programming and other librarian created content comprehensive timely and entertaining account of the political cultural and economic dynamics of more than thirty discrete countries of the Western Hemisphere this book is updated each year providing students with the most recent information possible The information is presented in an objective balanced non ideological context allowing the readers to formulate their own opinions In addition to examining individual countries the book views Latin America as a mosaic region as a whole and emphasizes its growing influence on the world stage Besides providing accurate and timely information on the historical and

political forces that have shaped each nation it also examines the leading cultural figures and forces from eighteenth century writers to twentieth century composers and singing stars to twenty first century filmmakers and actors Finally it describes the social and economic challenges that continue to afflict this exciting and emerging region Unequal By Design Wayne Au, 2022-07-29 This new edition of Unequal By Design High Stakes Testing and the Standardization of Inequality critically examines the deep and enduring problems within systems of education in the U S in order to illuminate what is really at stake for students teachers and communities negatively affected by such testing Updates to the new edition include new chapters that focus on the role of schools and standardized testing in reproducing social cultural and economic inequalities the way high stakes testing is used to advance neoliberal market based educational schemes that ultimately concentrate wealth and power among elites how standardized testing became the dominant tool within our educational systems the numerous technical and ideological problems with using standardized tests to evaluate students teachers and schools the role that high stakes testing plays in the maintenance of white supremacy and how school communities have resisted high stakes testing and used better assessments of student learning Parents teachers university students and scholars will find Unequal By Design useful for gaining a broad critical understanding of the issues surrounding our over reliance on high stakes standardized testing in the U S through up to date research on testing historical and contemporary examples of the struggles over such tests and information about how testing has fostered the privatization of public education in the U S

Young Adult Literature, Libraries, and Conservative Activism Loretta M. Gaffney, 2017-02-01 This incisive study analyzes young adult YA literature as a cultural phenomenon explaining why this explosion of books written for and marketed to teen readers has important consequences for how we understand reading in America As visible and volatile shorthand for competing views of teen reading YA literature has become a lightning rod for a variety of aesthetic pedagogical and popular literature controversies Noted scholar Loretta Gaffney not only examines how YA literature is defended and critiqued within the context of rapid cultural and technological changes but also highlights how struggles about teen reading matter to and matter in the future of librarianship and education The workbridges divides between literary criticism professional practices canon building literature appreciation genre classifications and recommendations standard histories and commentary It will be useful in YA literature course settings in Library and Information Science Education and English departments It will also be of interest to those who study right wing culture and movements in media studies cultural studies American studies sociology political science and history It is of additional interest to those who study print culture publishing and the book histories of teenagers and research on teen reading Finally it will offer those interested in teenagers literature libraries technology and politics a fresh way to look at book challenges and controversies over YA literature US Hegemony and the Americas Arturo Santa-Cruz, 2019-12-06 In this book Arturo Santa Cruz advances an understanding of power as a social relationship and applies it consistently to the economic realm in United States relations with other countries of the Western

Hemisphere Following the academic and popular debate on the ebb and flow of US hegemony this work centers the analysis in a critical case for the exercise of US power through its economic statecraft the Americas its historical zone of influence The rationale for the regional focus is methodological if it can be shown that Washington's sway has decreased in the area since the early 1970s when the discussion about this matter started it can be safely assumed that the same has occurred in other latitudes The analysis focuses on three regions North America Central America and South America Since each region contains countries that have at times maintained very different relationships with the United States the findings contribute to a better understanding of the practice of US power in the sub region in question adding greater variability to the overall results US Hegemony and the Americas Power and Economic Statecraft in International Relations is an invaluable resource for students and scholars interested in Latin American History and Politics North American Regional Integration International Relations Economic Statecraft Political Economy and Comparative Politics *Makina Aztlán* Juan Gómez-Quiñones, Irene Vásquez, 2014-04-30 This book provides a long needed overview of the Chicana and Chicano movement's social history as it grew flourished and then slowly fragmented. The authors examine the movement's origins in the 1960s and 1970s showing how it evolved from a variety of organizations and activities united in their quest for basic equities for Mexican Americans in U S society Within this matrix of agendas objectives strategies approaches ideologies and identities numerous electrifying moments stitched together the struggle for civil and human rights G mez Qui ones and V squez show how these convergences underscored tensions among diverse individuals and organizations at every level Their narrative offers an assessment of U S society and the Mexican American community at a critical time offering a unique understanding of its civic progress toward a more equitable social order Fifty-One Key Feminist Thinkers Lori J. The information is presented in an objective balanced non ideological context allowing the readers to formulate their own opinions In addition to examining individual countries the book views Latin America as a mosaic region as a whole and emphasizes its growing influence on the world stage Besides providing accurate and timely information on the historical and political forces that have shaped each nation it also examines the leading cultural figures and forces from eighteenth century writers to twentieth century composers and singing stars to twenty first century filmmakers and actors Finally it describes the social and economic challenges that continue to afflict this exciting and emerging region Writing Backwards Alexander Manshel, 2023-11-21 Finalist 2025 SHARP Book History Book Prize Society for the Study of the History of Authorship Reading and Publishing Contemporary fiction has never been less contemporary Midcentury writers tended to set their works in their own moment but for the last several decades critical acclaim and attention have fixated on historical fiction This shift is particularly dramatic for writers of color Even as the literary canon has become more diverse cultural institutions have celebrated Black Asian American Latinx and Indigenous novelists almost exclusively for their historical fiction Writing Backwards explores what the dominance of historical fiction in the contemporary canon reveals about American literary culture Alexander Manshel investigates the most celebrated historical genres contemporary narratives of slavery the World War II novel the multigenerational family saga immigrant fiction and the novel of recent history alongside the literary and academic institutions that have elevated them He examines novels by writers including Toni Morrison Viet Thanh Nguyen Colson Whitehead Julia Alvarez Leslie Marmon Silko Michael Chabon Julie Otsuka Yaa Gyasi Ben Lerner and Tommy Orange in the context of MFA programs literary prizes university syllabi book clubs and the National Endowment for the Arts Manshel studies how historical fiction has evolved over the last half century documenting the formation of the newly inclusive literary canon as well as who and what it still excludes Offering new insight into how institutions shape literature and the limits of historical memory Writing Backwards also considers recent challenges to the historical turn in American Mexican-Origin Foods, Foodways, and Social Movements Devon Peña, Luz Calvo, Pancho McFarland, Gabriel R. fiction Valle, 2017-09-01 This collection of new essays offers groundbreaking perspectives on the ways that food and foodways serve as an element of decolonization in Mexican origin communities The writers here take us from multigenerational acequia farmers who trace their ancestry to Indigenous families in place well before the O ate Entrada of 1598 to tomorrow s transborder travelers who will be negotiating entry into the United States Throughout we witness the shifting mosaic of Mexican origin foods and foodways from Chiapas to Alaska Global food systems are also considered from a critical agroecological perspective which takes into account the ways colonialism affects native biocultural diversity ecosystem resilience and equality across species and generations Mexican Origin Foods Foodways and Social Movements is a major

contribution to the understanding of the ways that Mexican origin peoples have resisted and transformed food systems through daily lived acts of producing and sharing food knowledge and seeds in both place based and displaced communities forum for inter-american research Vol It will animate scholarship on global food studies for years to come Page 4 of cover 3 Wilfried Raussert, 2023-07-20 Volume 3 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas fiar is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish Intercultural Communication Kathryn Sorrells, 2015-08-19 Intercultural Communication Globalization and Social Justice Second Edition introduces students to the study of communication among cultures within the broader context of globalization Kathryn Sorrells highlights history power and global institutions as central to understanding the relationships and contexts that shape intercultural communication Based on a framework that promotes critical thinking reflection and action this text takes a social justice approach that provides students with the skills and knowledge to create a more equitable world through communication Loaded with new case studies and contemporary topics the Second Edition has been fully revised and updated to reflect the current global context emerging local and global issues and more diverse experiences **Greater American Camera** Monica Bravo, 2021-01-01 An engaging investigation of how the relationships between four U S photographers and Mexican artists forged new developments in modernism Photographers Edward Weston Tina Modotti Paul Strand and Helen Levitt were among the U S artists who traveled to Mexico during the interwar period seeking a community more receptive to the radical premises of modern art Looking closely at the work produced by these four artists in Mexico this book examines the vital role of exchanges between the expatriates and their Mexican contemporaries in forging a new photographic style Monica Bravo offers fresh insights concerning Weston's friendship with Diego Rivera Modotti's images of labor which she published alongside the writings of the Stridentists Strand s engagement with folk themes and the work of composer Carlos Ch vez and the influence of Manuel lyarez Bravo on Levitt's contributions to a New World surrealism Exploring how these dialogues resulted in a distinct kind of modernism characterized by inter American interests the book reveals the ways in which cross border collaboration shaped a new greater American aesthetic The Palgrave Handbook of Race and Ethnic Inequalities in *Education* P. Stevens, A. Dworkin, 2014-01-22 This comprehensive state of the art reference work provides the first systematic review to date of how sociologists have studied the relationship between race ethnicity and educational inequality over the last thirty years in eighteen different national contexts Cosmopolitan Film Cultures in Latin America, 1896-1960 Rielle Navitski, Nicolas Poppe, 2017-06-19 Cosmopolitan Film Cultures in Latin America examines how cinema forged cultural connections between Latin American publics and film exporting nations in the first half of the twentieth century Predating

today s transnational media industries by several decades these connections were defined by active economic and cultural exchanges as well as longstanding inequalities in political power and cultural capital The essays explore the arrival and expansion of cinema throughout the region from the first screenings of the Lumi re Cin matographe in 1896 to the emergence of new forms of cinephilia and cult spectatorship in the 1940s and beyond Examining these transnational exchanges through the lens of the cosmopolitan which emphasizes the ethical and political dimensions of cultural consumption illuminates the role played by moving images in negotiating between the local national and global and between the popular and the elite in twentieth century Latin America In addition primary historical documents provide vivid accounts of Latin American film critics movie audiences and film industry workers experiences with moving images produced elsewhere encounters that were deeply rooted in the local context yet also opened out onto global horizons **Education** and Incarceration Erica R. Meiners, Maisha T. Winn, 2014-07-16 The United States of America is in possession of the largest prison population in the world with 2 3 million people currently behind bars This number is predominantly and disproportionately made up of communities of colour and poverty Between 1987 and 2007 the U S prison population tripled the direct result of various tough on crime public policies Organizers and scholars use the term prison industrial complex PIC to name the structure that encompasses the expanding economic and political contexts of the detention and corrections industry in the USA The PIC is a network that sutures capital communities and the State to a permanent punishment economy The term the PIC aims to capture the range of material and ideological forces that shape the growth of detention the political and lobbying power of the corrections officers unions the framing of prisons and jails as a growth industry in the context of deindustrialization the production and sales of technology and security required to maintain and expand the state of incarceration and the naturalization of isolation as a logical response to harm Education and Incarceration highlights the significance of centering agency and autonomy and documents scholars who work to be accountable to justice movements and communities not simply to academic disciplines or to research Additionally as emerging scholars committed to challenging the PIC these authors struggle to build multi layered analytic and material tools for resistance within and beyond the walls of schools jails and prisons This book provides snapshots of practices in motion activist scholars working to engage to be accountable to families communities and larger justice movements and to build abolition democracies This book was originally published as a special issue of Race Ethnicity and Education
