Me and My MG Gordon Thorburn, 2011-12-01 A collection of heartwarming personal stories from MG owners around the world Read about the Berkshire restorer who saw a heap of old iron in the bushes and realized it used to be a 1926 bullnose Super Sports and the seven year old boy in Norfolk Virginia who read a book called The Red Car and knew that one day he would have to have a TC and the Dutch boy who saw an MGB on his way to school and knew something similar There's the nine year old French boy whose nan gave him a model kit to assemble and the USAF fighter pilot who saw his first MG in Britain during the war and was in love for ever A Canadian took 32 years to restore his TA while a Swiss professor installed space ship electronics in his TD An aeronautical engineer was left some money and bought a 1929 18 80 Tourer that he thought had been restored An Australian 17 year old happened across a second hand MGB was done for speeding and lived happily ever after A Swedish boy walked out one Sunday morning into the middle of an MG rally All the stories are different but the storytellers have something in common They would all rather love and sometimes despair of a wonderful vehicle with faults in its character than have no feelings about one that has no character at all Praise for Me and My MG A loving look at one of Britain's most iconic motors brilliant photographs interspersed with personal reminiscences and memories a book to be treasured Books Monthly UK
