Giselle the Christmas Ballet Fairy (Rainbow Magic: Special Edition) Daisy Meadows, 2016-09-27 The Rainbow Magic Fairies have visions of sugar plums dancing in their heads. It's Christmastime in Fairyland. Jack Frost is on the naughty list. Every year Giselle the Christmas Ballet Fairy's special magic helps every holiday ballet show run perfectly. But when Jack Frost crashes a performance and steals her magic objects, it looks like everything will be ruined. Rachel and Kirsty need to get the magic objects back in time for the Fairyland Christmas Eve ballet performance. They'll have to harness all the magic of the season to help Giselle. If they don't succeed, holiday shows everywhere will be ruined by Fairyland's biggest Grinch. A to Zoo Rebecca L. Thomas, 2018-06-21 Whether used for thematic story times program and curriculum planning, readers advisory, or collection development, this updated edition of the well-known companion makes finding the right picture books for your library a breeze. Generations of savvy librarians and educators have relied on this detailed subject guide to children's picture books for all aspects of children's services, and this new edition does not disappoint. Covering more than 18,000 books published through 2017, it empowers users to identify current and classic titles on topics ranging from apples to zebras. Organized simply with a subject guide that categorizes subjects by theme and topic and subject headings arranged alphabetically, this reference applies more than 1,200 intuitive, as opposed to formal catalog subject terms to children's picture books, making it both a comprehensive and user-friendly resource that is accessible to parents and teachers as well as librarians. It can be used to identify titles to fill in gaps in library collections, to find books on particular topics for young readers, to help teachers locate titles to support lessons, or to design thematic programs and story times. Title and illustrator indexes, in addition to a bibliographic guide arranged alphabetically by author name, further extend access to titles.

Inside Mrs. B.'s Classroom : Courage, Hope, and Learning on Chicago's South Side Leslie Baldacci, 2003-08-25 A respected journalist turned teacher reveals what's really happening in America's schools. In 1999, Chicago Sun Times veteran Leslie Baldacci left her prestigious twenty-five year career to teach at a public school in one of Chicago's roughest South Side neighborhoods. As she later commented, "I thought I knew rough. I thought I had answers. I didn't know jack." But Baldacci never looked back, and the result is *Inside Mrs. B's Classroom*, a compelling first-hand narrative from the trenches of the inner-city school system that addresses one of society's most critical issues from gritty, daily personal experience. An expert on Chicago's massive education reform efforts, even

before she turned in her press credentials Baldacci adds an informed intellectual layer to this insightful engaging work In an era in which many people talk about wanting to make a difference Baldacci has done so Here she shares the whole picture from the unrealistic expectations to the surprises good and bad that make up education today Above all she shows how an individual can did and continues to make a difference in the lives of American children *Crash Into Me* Darci St.
