## **Micah A Commentary Old Testament Library:**

**Micah** Daniel L. Smith-Christopher,2015-11-07 Considered one of the Minor Prophets the book of Micah contains the famous quote what does the LORD require of you but to do justice and to love kindness and to walk humbly with your God Micah 6:8 However many of us do not know the circumstances that led the prophet to these famous words This serious commentary by Daniel Smith Christopher analyzes the historical social and literary context of the book of Micah Smith Christopher presents a challenging perspective on Micah who is here represented as an angry opposition figure to King Hezekiah and the Jerusalem elite In Micah we hear from those Judeans who suffered Assyrian and later Babylonian force but who hold Jerusalem's military folly to blame as much as the Empires of his day Smith Christopher's fresh reading of Micah is a stimulating addition to the Old Testament Library that will well serve both the academy and the church The Old Testament Library series provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing The editorial board consists of William P Brown William Marcellus McPheeers Professor of Old Testament Columbia Theological Seminary in Decatur Georgia Carol A Newsom Charles Howard Candler Professor of Old Testament Candler School of Theology at Emory University in Atlanta Georgia and Brent A Strawn Professor of Old Testament Candler School of Theology at Emory University in Atlanta Georgia

**Micah** James Luther Mays,2007-02-01 This much needed commentary provides an authoritative guide to a better understanding of the often neglected book of Micah It gives insight into the individual sayings of Micah to the way they were understood and used as they were gathered into the growing collection and to their role in the final form of the document I am convinced says Dr Mays that Micah is not just a collection of prophetic sayings but is the outcome of a history of prophetic proclamations and is itself in its final form prophecy The Old Testament Library provides fresh and authoritative treatments of important aspects of Old Testament study through commentaries and general surveys The contributors are scholars of international standing
