Don't Let the Kids Drink the Kool-Aid Marybeth Hicks, 2011-08-22

Columnist and author Marybeth Hicks reveals, with shocking confessions from the activists themselves, how liberals and socialists, atheists, and radical environmentalists have waged a continuous and largely successful campaign of propaganda in our schools and popular culture in an attempt to create a permanent Leftist majority that will usher in a very different America with a new generation that expects to be dependent on the federal government. But along with the shocking revelations, Hicks shows how we can break the Left's hypnotic spell. If we don't, she warns, we'll soon wake up in a nation we won't recognize as our own.
