Microeconomics, 2002 **Microeconomics** Michael Parkin, 2010 This title is a Pearson Global Edition The Editorial team at

Pearson has worked closely with educators around the world to include content which is especially relevant to students

outside the United States Parkin's Microeconomics is a worldwide leader because it provides a serious analytical approach to

the discipline using the latest policy and data Parkin trains students to think like economists by offering a clear introduction

to theory and applying the concepts to today's events news and research From our global food shortage to global warming

economic issues permeate our everyday lives In his Ninth Edition Parkin brings critical issues to the forefront Each chapter

begins with one of today's key issues and additional issues appear throughout the chapter to show the real world applications

of the theory being discussed When the chapter concludes students read between the lines to think critically about a news

article relating to the issue demonstrating how thinking like an economist helps make informed decisions Parkin is so

committed to currency that he uploads news articles almost daily to MyEconLab the online assessment and tutorial system

that accompanies the text For the Ninth Edition assessment questions based on these Economics in the News articles will be

uploaded periodically so that instructors can assign recent articles within MyEconLab **Test Bank 3 to Accompany**
