## **Passivity Generation Human Rights And Everyday Morality Studies In The Psychosocial:**

**Passivity Generation** Irene Bruna Seu,2013-10-30 The book applies a unique mix of psychosocial methods to understand the complexity of emotional cognitive and ideological responses to human rights violations and examines the banal quality of the everyday vocabularies that people use to make sense of human rights and their violations and justify not intervening In **Passivity Generation** Irene Bruna Seu offers a vivid and compassionate account of how past experiences of trauma and suffering affect individual un responsiveness and explores the psychodynamics of passivity and its underpinning defence mechanisms

**The Psychosocial and Organization Studies** Marianna Fotaki,2014-10-22 Leading authors within organization studies and also from broader social science disciplines present the state of the art in the rapidly developing field of psychosocial approaches to organization studies and critical management studies

**Psychosocial Imaginaries** Stephen Frosh,2016-04-29 Psychosocial studies challenges the traditions of psychology and sociology from a genuinely transdisciplinary perspective The book reflects this agenda in its varied theoretical and empirical strands producing a newly contextualised and restless body of understanding of how psychic and social processes intertwine

**The Unhappy Divorce of Sociology and Psychoanalysis** Lynn Chancer,John Andrews,2014-08-05 A collection of 18 contributions by well known scholars in and outside the US The Unhappy Divorce of Sociology and Psychoanalysis shows how sociology has much to gain from incorporating rather than overlooking or marginalizing psychoanalysis and psychosocial approaches to a wide range of social topics

The SAGE Handbook of Qualitative Research in Psychology Carla Willig,Wendy Stainton Rogers,2017-03-31 One of our bestselling handbooks The SAGE Handbook of Qualitative Research in Psychology is back for a second edition Since the first edition qualitative research in psychology has been transformed Responding to this existing chapters have been updated and three new chapters introduced on Thematic Analysis Interpretation and Netnography With a focus on methodological progress throughout the chapters are organised into three sections Section One Methods Section Two Perspectives and Techniques Section Three Applications In the field of psychology and beyond this handbook will constitute a valuable resource for both experienced qualitative researchers and novices for many years to come

**Psychosocial Explorations of Film and Television Viewing** Jo Whitehouse-Hart,2014-10-29 Most people have at some point experienced powerful often strange and disconcerting responses to films and television programmes of which they cannot always make sense Drawing on insights from psychoanalysis this book argues that the seemingly mundane and everyday activity of film and television viewing in the home is in fact extraordinary

**The Play of Political Culture, Emotion and Identity** Candida Yates,2015-09-22 Offering a uniquely psycho cultural take on the emotional dynamics of UK political culture this book uses theories and research in psychoanalysis cultural and media studies and political sociology It explores the cultural and emotional processes that shape our relationship to politics in a media age referencing Joanna Lumley to Nigel Farage

*The Psychopolitics of the Oriental Father* B. Somay,2014-11-11 With a foreword by Slavoj i ek this book explores the

Father Function in the East in the process of Modernisation arguing that Modernisation and Westernisation are euphemisms for the advent of capitalism in Asiatic and African societies which lead to fatal transformations of the cultural and political incarnations of the Oriental Father

**Narcissism and Its Discontents** J. Walsh, 2014-11-27 Narcissism and Its Discontents challenges the received wisdom that narcissism is only destructive of good social relations By building on insights from psychoanalysis and critical theory it puts forward a theorisation of narcissistic sociability which redeems Narcissus from his position as the subject of negative critique

*Fantasy and Social Movements* J. Ormrod, 2014-09-29 It is sometimes assumed that fantasizing stands in contrast to activism This book however argues that fantasy plays a central role in social movements Drawing on psychoanalysis and psychosocial theories *Fantasy and Social Movements* examines the relationships between fantasy reality action the unconscious and the collective

**The Palgrave Handbook of Critical Social Psychology** Brendan Gough, 2017-04-11 This handbook is the first to bring together the latest theory and research on critical approaches to social psychological challenges Edited by a leading authority in the field this volume further establishes critical social psychology as a discipline of study distinct from mainstream social psychology The handbook explains how critical approaches to social processes and phenomena are essential to fully understanding them and covers the main research topics in basic and applied social psychology including social cognition identity and social relations alongside overviews of the main theories and methodologies that underpin critical approaches This volume features a range of leading authors working on key social psychological issues and highlights a commitment to a social psychology which shuns psychologisation reductionism and neutrality It provides invaluable insight into many of the most pressing and distressing issues we face in modern society including the migrant and refugee crises affecting Europe the devaluing of black lives in the USA and the poverty ill health and poor mental well being that has resulted from ever increasing austerity efforts in the UK Including sections on critical perspectives critical methodologies and critical applications this volume also focuses on issues within social cognition self and identity This one stop handbook is an indispensable resource for a range of academics students and researchers in the fields of psychology and sociology and particularly those with an interest in social identity power relations and critical interventions

*Caring in Crisis? Humanitarianism, the Public and NGOs* Irene Bruna Seu, Shani Orgad, 2017-02-26 Drawing on an original UK wide study of public responses to humanitarian issues and how NGOs communicate them this timely book provides the first evidence based psychosocial account of how and why people respond or not to messages about distant suffering The book highlights what NGOs seek to achieve in their communications and explores how their approach and hopes match or don't match what the public wants thinks and feels about distant suffering

Knowing Mothers W. Hollway, 2015-01-05 How do women experience the identity changes involved in becoming mothers for the first time Throughout in depth case examples Wendy Hollway demonstrates how a different research methodology underpinned by a psychoanalytically informed epistemology can transform our understanding of the early

foundations of maternal identity      The Oxford Handbook on Atrocity Crimes Barbora Holá, Hollie Nyseth Nzitatira, Hollie Nyseth Brehm, Maartje Weerdesteijn, 2022 The Oxford Handbook on Atrocity Crimes surveys and further develops the evolving field of atrocity crime studies through interdisciplinary research on war crimes crimes against humanity and genocide in one comprehensive volume encompassing contributions of leading scholars      **Involuntary Dislocation** Renos K. Papadopoulos, 2021-03-29 Renos K Papadopoulos clearly and sensitively explores the experiences of people who reluctantly abandon their homes searching for safer lives elsewhere and provides a detailed guide to the complex experiences of involuntary dislocation Involuntary Dislocation Home Trauma Resilience and Adversity Activated Development identifies involuntary dislocation as a distinct phenomenon challenging existing assumptions and established positions and explores its linguistic historical and cultural contexts Papadopoulos elaborates on key themes including home identity nostalgic disorientation the victim and trauma providing an in depth understanding of each contributing factor whilst emphasising the human experience throughout The book concludes by articulating an approach to conceptualising and working with people who have experienced adversities engendered by involuntary dislocation and with a reflection on the language of repair and renewal Involuntary Dislocation will be a compassionate and comprehensive guide for psychotherapists clinical psychologists counsellors and other professionals working with people who have experienced displacement It will also be important reading for anyone wishing to understand the psychosocial impact of extreme adversity

**Family Activism in the Aftermath of Fatal Violence** Elizabeth A. Cook, 2020-11-29 Family Activism in the Aftermath of Fatal Violence explores how family and family activism work at the intersection of personal and public troubles and considers what influence family testimonies of fatal violence can have on matters of crime justice and punishment The problem of fatal violence represents one end of a long continuum of violence that marks society the effects of which endure in families and friends connected through ties of kinship identity and social bonds The aftermath of fatal violence can therefore be an intensely personal encounter which confronts families with disorder and uncertainty Nevertheless bereaved families are often found at the forefront of efforts to expose injustice rouse public consciousness and drive forward social change that seeks to prevent violence from happening again This book draws upon ethnographic research with those bereaved by gun violence who became involved in family activism in the context of fatal violence namely the attempts by bereaved families to manage their experiences of violent death through public expressions of grief and become proxies for wider debates on social injustice This is an ever more pressing issue in a landscape which increasingly sees the delegation of responsibility to families and communities that are left to deal with the aftermath of violence An accessible and compelling read this book will appeal to students and scholars of criminology sociology cultural studies and all those interested in learning more about the after effects of fatal violence      **Learning from Baby P** Sharon Shoesmith, 2016-08-20 Sharon Shoesmith was Director of Children's Services for Haringey in 2007 at the time of the death of Peter Connelly also known as

Baby P In Learning from Baby P she carries out a dispassionate analysis of the events which followed Peter Connelly's death documenting the responses of the media politicians and the public She explores the psychological and emotional responses we share when faced with such horrifying cases of familial child homicide and how a climate of fear and blame which follows such tragedies can lead to negative consequences for other children at risk of harm and for the social workers striving to protect them Learning from Baby P is a thought provoking book which aims to deepen understanding and shed light on the difficult relationship between politics the media and child protection
