Past Tense John Marshall Tanner Mysteries:

Past Tense Stephen Greenleaf, 2010-06-15 When his friend police lieutenant Charlie Sleet breaks into sudden acts of violence San Francisco PI John Marshall must unearth the repressed memories at the heart Charlie's corruption and vigilantism to put an end to the killing

Justice Denoted Terry White, 2003-09-30 White provides the most comprehensive scholarly compilation of fictional work of legal suspense in existence. Primarily a bibliography of novels it also annotates plays scripts for film and television novelizations and short story collections about lawyers and the law. The idea behind the principal of selection is to disdain labels that reduce the variety of the legal thriller to a subgenre of mystery fiction. Novels that range from suspense thrillers through science fiction to the philosophical novel are included if justice is thematically important. It is therefore an eclectic reference source beyond a compilation of books about lawyers as protagonists. Its biographical and scholarly information about authors major and minor and their novels or works is traditionally encyclopedic and objective regardless of whether the work has been genre defined or worse deified as a classic or denigrated as a bestseller. Many novels included are long out of print but historically interesting for their contribution to the lineage of the courtroom drama showing that the history of the legal thriller is one of the major branches of modern literature since the Age of Reason. The criterion of justice denoted moves beyond the fact of lawyers and courtrooms to select seminal novels like Robert Travers' *Anatomy of a Murder* as well as the romantic potboiler. Among the more than 2 000 works are the Perry Mason novels of Erle Stanley Gardner John Mortimer's Rumpole series along with a staple of fiction by major authors of the genre like John Lescroart Lisa Scottoline Margaret Maron Scott Turow and John Grisham. There are also individual works by Shakespeare Goethe Kafka Camus and Twain delineating humanity's obsession with the law as its shining prop of civilization and alternative *le noir* of the common individual caught up in its maw. The appendices include comments by lawyer novelist Michael A. Kahn a historical introduction to the legal thriller craft notes by writers and prominent trial lawyers responding to author and lawyer questionnaires bibliography of critical sources and articles series characters and the legal terminology found in courtroom dramas and novels. An essential reference tool for scholars researchers as well as the occasional reader of legal thrillers

Bowker's Guide to Characters in Fiction 2007, 2008-02

Writer's Guide to Book Editors, Publishers, and Literary Agents, 1998-1999 Jeff Herman, 1997 A real find for the aspiring writer. The Associated Press. In depth information. The Writer Who are they?
