Remnant Sean Williams,Shane Dix,2003-02-01 The newly formed Galactic Alliance is determined to bring peace to the entire galaxy But first the Yuuzhan Vong must be contained Luke Skywalker seeks a world lost to legend Zonama Sekot a sentient planet believed to have repelled an invasion by the Yuuzhan Vong decades ago Deciphering the secrets of the planet could turn the tide of the war Original **Remnant: Star Wars Legends** Sean Williams,Shane Dix,2003-02-04 As the bloodied

and weary galaxy faces battle once more the Jedi take on the formidable task of bringing the last of the Empire into the light From the ashes of the New Republic torn to shreds by the savage Yuuzhan Vong forces the newly formed Galactic Alliance has risen determined to bring peace to the entire galaxy But first the Yuuzhan Vong must be contained once and for all And so Luke Skywalker seeks a world long lost to legend Zonama Sekot a sentient planet believed to have repelled an invasion by the Yuuzhan Vong decades ago Deciphering the enigmatic secrets of Zonama Sekot just might turn the tides of a relentless war Aboard the Jade Shadow Luke his wife Mara Jacen Solo and other Jedi head off into the Unknown Regions where rumors and clues suggest Zonama Sekot might be found Yet the mission has barely begun when the searchers stumble into a horrific battle The Imperial Remnant in retreat from the mighty Yuuzhan Vong is about to be destroyed It would seem those aboard the Jade Shadow have little choice but to leave the Empire to its fate But these are no ordinary space travelers they are Jedi

Allies ,2014 A precarious alliance between the Jedi and the Sith is compromised by a strange being that reaches out to Luke interference from the Hutt family and conflicting edicts by the Galactic Alliance **Millennium Falcon: Star Wars**

Legends James Luceno,2009-03-31 Two years have passed since Jacen Solo seduced by the dark side and reanointed as the

brutal Sith Lord Darth Caedus died at the hands of his twin sister Jaina Solo. For a grieving Han and Leia, the shadow of their son's tragic downfall still looms large. But Jacen's own bright and loving daughter Allana offers a ray of hope for the future as she thrives in her grandparents' care. And when the eager inquisitive girl in whom the Force grows ever stronger makes a curious discovery aboard her grandfather's beloved spacecraft, the much overhauled but ever dependable Millennium Falcon, the Solo family finds itself at a new turning point about to set out on an odyssey into uncertain territory, untold adventure, and unexpected rewards. To Han, who knows every bolt, weld, and sensor of the Falcon as if they were parts of himself, the strange device Allana shows him is utterly alien. But its confounding presence and Allana's infectious desire to unravel its mystery are impossible to dismiss. The only answer lies in backtracking into the past on a fact-finding expedition to retrace the people, places, and events in the checkered history of the vessel that's done everything from making the Kessel Run in less than twelve parsecs to helping topple an evil empire. From the moment the Falcon broke loose from a Corellian assembly line like an untamed creature with a will of its own, it seemed destined to seek out trouble. It wasn't long before the feisty YT-1300 freighter went from shuttling cargo to smuggling contraband. But it's a fateful rendezvous on Coruscant at the explosive height of the Republic Separatist uprising that launches a galaxywide cat-and-mouse game whose newest players are Han, Leia, Allana, and C-3PO. And they're not alone. Crime lords, galactic pirates, rogue politicians, and fortune hunters alike loom at every turn of the quest, each with his or her own desperate stake in the Millennium Falcon's most momentous mission. Through the years and across the stars, from the Rim worlds to unknown points beyond, the race will lead them all to a final standoff for a prize some will risk everything to find and pay any cost to possess. Features a bonus section following the novel that includes a primer on the Star Wars expanded universe and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years.

Reunion: Star Wars Legends Sean Williams, Shane Dix, 2003-07-01 The Jedi move one step closer to saving the embattled galaxy only to confront a formidable wall of resistance. The harrowing search for Zonama Sekot is finally over for Luke Skywalker, Jacen Solo, and the others aboard the Jade Shadow. But joy turns to alarm when the living planet sends a defiant message: it refuses to follow them back to a galaxy full of war, exploitation, and misery. While Luke works feverishly to persuade the elusive planet to reconsider, the Yuuzhan Vong launches a full-scale attack aimed at the heart of the new alliance. Sent to defend a major communications base, Han and Leia find themselves hopelessly outnumbered. Reinforcements are just too far away to help before everything is destroyed. So the courageous pair must now fight an unrelenting battle against staggering odds. Whether they actually survive is another matter.

The Alliance Chronicles Jacques R. Pye, 2007-11 Armeta Sandal, Creon, ambassador to the Galactic Alliance Council, has never seen the council in such an upheaval. Her charges against the Borelan ambassador Chockdal Du have angered a third of the members and fanned the flames of enmity in the Alliance. Commander Sterling Newman of the Alliance Intelligence Service desperately tries to dodge the fire of his ever-nearing opponent. His only hope is a teller and but what of its risk? In a dark sector of the

galaxy an ominous force waits for the opportune moment to ensnare the Alliance Yet there is another force in the galaxy seeking to bring these three together for his own purposes purposes which not one of them can possibly foresee A
Looming Shadow Yakov Merkin, 2017-11-27 The war is over but true peace remains elusive A threat still looms large and the price of eliminating it could be higher than anyone realizes It s been six months since the High Lord s destruction at the Battle of Dorandor and the Galactic Alliance is at peace nominally at least While the Tyrannodons have become members of the Alliance and their wartime allies readmitted the anger and resentment against them has only somewhat subsided despite efforts by High Executor Darkclaw to make his people into a true part of the Alliance First Scion Dalcon Oresh hailed as the hero of the war is focused on tracking down the fallen Scions led by his former mentor who have not been seen in some time along with a number of Tyrannodons who remain loyal to the destroyed High Lord When Dalcon finally locates his quarry he as well as Darkclaw and Grand Admiral Naysar who had been looking forward to peacetime for an opportunity to start a family are drawn into the hunt More troublesome the world to which they tracked the fallen Scions lies outside of Alliance space in the territory of the mysterious Revittan Empire who consider any intrusion into their space an act of war While Dalcon Darkclaw and Naysar struggle to track down their enemies in a situation that they increasingly realize they had not properly prepared for trouble is brewing outside and their direct subordinates Executor Keeneye and Admiral Felivas have to make decisions that could threaten the hard won peace that they have only recently managed to achieve
