Paul George: the Inspiring Story of One of Basketball's Most Dynamic Small Forwards Clayton

Geoffreys,2015-12-13 Learn the Inspiring Story of the Indiana Pacers Star Paul George Read on your PC Mac smartphone tablet or Kindle device In Paul George The Inspiring Story of One of Basketball's Most Dynamic Small Forwards you will learn the inspirational story of one of basketball's premier small forwards Paul George Since joining the NBA Paul George has quickly emerged as one of the league's best small forwards leading the Indiana Pacers to reemerge as contenders in the growingly competitive Eastern Conference It is hard to believe that so many teams passed on Paul George back in the 2010 NBA Draft when he easily became one of the best draft picks out of that year's draft While Paul George suffered from a devastating injury as a member of Team USA he has demonstrated an incredible amount of resilience as he nursed his injury and returned to full force starting in the 2015 2016 NBA season It will be exciting to see where George can take the Pacers in the years to come

Early Life and Childhood High School Years of Paul George Paul George's College Years at California State University Fresno Paul George's NBA Career Getting Drafted Rookie Season Second Year Third Year and Breakout Year George's Fourth Year 2013 14 Season Team USA Training Camp Broken Leg and Eight Months Out Road to Recovery and the Return The Real Return of Paul George 2015 16 Season Chapter 5 Paul George's Personal Life Chapter 6 Paul George's Impact on Basketball and Legacy

An excerpt from the book George's return on April 5 2015 was just a mere trailer and preview to the PG 13 show that people were in store for in the 2015 16 season Back in August of the previous season Paul George had his number changed from 24 his idol Kobe Bryant's number to 13 He has always worn the number 24 since high school because he wanted to be like Kobe The reason for the change was that he already had an identity of his own and that it was time for him to pave his own path from being that kid who idolized Kobe to the man known as PG 13 His PG 13 nickname gimmick gives him his own identity to build on and he also said it was pretty catchy because PG 13 in normal television terms implies that the show will be enjoyable yet safe The offseason prior to the 2015 16 NBA season was a period of transition for the Pacers Larry Bird had communicated to the coaching staff that he wanted the Pacers to play faster as opposed to their usual slow paced offense in the past This transition to a fast paced offense made the slow giant Roy Hibbert dispensable The Pacers traded Hibbert to the Los Angeles Lakers in exchange for a future second round draft pick Moreover they lost veteran leadership in David West when he opted to forego his 12 million player option to stay with the Pacers and instead signed with the Spurs for a much lower amount They also lost CJ Watson and backup big man Luis Scola The silver lining about the loss of their frontline starters was that it provided an avenue for their younger and more athletic players to play at a higher pace

translated the same game he had in college to the NBA floor and arguably nobody else in the NBA plays perimeter defense better than he does With a wingspan so long that his arms could envelop six men and with hands so huge that he could cover the ball with one hand Leonard has used his natural physical gifts to good use on the defensive end of the floor Tags kawhi leonard bio kawhi leonard basketball tim duncan lamarcus aldrige tony parker manu ginobili danny green gregg popovich paul george stephen curry jimmy butler *Educational Film & Video Locator of the Consortium of College and University Media Centers and R.R. Victor Oladipo: the Inspiring Story of One of Basketball's Rising Stars Clayton Geoffreys, 2018-04-24 Learn the Inspiring Story of the Indiana Pacers Star Guard Victor Oladipo Read on your PC Mac smartphone tablet or Kindle device Limited time offer If you buy the print edition you can keep the Kindle edition for yourself In Victor Oladipo The Inspiring Story of One of Basketball's Rising Stars you will learn the inspirational story of one of basketball's most exciting young guards Victor Oladipo As the second overall pick in the 2013 Draft Victor Oladipo has grown accustomed to having high expectations riding on his shoulders In his fifth season Oladipo broke out as a new star He credited much of his improved game to being able to study from a future Hall of Fame great Russell Westbrook Behind Oladipo's leadership the Pacers clinched a playoff birth Furthermore Oladipo solidified himself as one of the league's most promising guards with his impressive defense and explosive ability to drive into the paint It'll be exciting to follow Oladipo's journey as he continues to grow in the years to come Here is a preview of what is inside this book Childhood and Early Life High School and College Career Getting Drafted Rookie Season The Magic's Best Player Final Year in Orlando Teaming Up With Westbrook the Lone Season in Oklahoma City The Trade to Indiana the Birth of a New Star Oladipo's Personal Life Impact on Basketball Legacy and Future An excerpt from the book What does it take for a player to become a legitimate star in the NBA Is it the talent and potential he already has when he makes the jump to the professional league Is it the right team or system Is it the time the player needs to develop Is it the trust and confidence he gets from the franchise Or is it a combination of those factors There have been many players that did not immediately become stars in the NBA for one reason or another Chauncey Billups was always a great player coming into the NBA However he skipped from team to team during his early years trying to find a system and franchise that could turn him into a star player It was not until 2004 when he was 27 years old when Billups became a star point guard for a championship team Two years later at age 29 Chauncey Billups became a perennial All Star In today's NBA point guard Kyle Lowry was merely a backup playmaker that teams loved because of his defense But Lowry never had star potential during his early years in the NBA It was not until he moved to the Toronto Raptors at age 26 when he began developing Finally at 28 Lowry became an All Star point guard for the Raptors As far as history would tell us there have been players that did not immediately make the jump from a college or high school player to an instant NBA star or up and coming talent Sometimes the potential is already there but there are also times when it only surfaces after experience and training

There are also players that just need to belong to a team that wants them or to a system that fits their playing style And when all of those factors converge an instant NBA star player is born Tags Victor Oladipo Bio Indiana Hoosiers basketball domantas sabonis paul george lance stephenson myles turner steven adams russell westbrook billy donovan elfrid payton aaron gordon **Ohio State University Monthly** Ohio State University.
