Paul Harvey's America Stephen Mansfield, David Holland, 2015-10-16 New York Times best selling biographer Stephen Mansfield and coauthor David A Holland present a fascinating look at America s most popular radio host You ll discover how the brutal murder of his father shaped Paul Harvey s life and career how a high school teacher helped launch him in radio the truth behind his brief and controversial career in the Air Force why he was arrested for breaking into a secure research laboratory during the Cold War why he proposed to his wife Angel on their very first date and why it took her a year to say yes the important role of faith in his life and how his immeasurable contributions to broadcast history transformed American culture How To Win Friends and Influence People Dale Carnegie, 2009-11-03 How to Win Friends and Influence People is the first and still the finest book of its kind One of the best known motivational books in history Dale Carnegie s groundbreaking work has sold millions of copies has been translated into almost every known written language and has helped countless people succeed in both their business and personal lives First published in 1937 Carnegie s advice has

remained relevant for generations because he addresses timeless questions about the fine art of getting along with people How can you make people like you instantly How can you persuade people to agree with you How can you speak frankly to people without giving offense The ability to read others and successfully navigate any social situation is critically important to those who want to get a job keep a job or simply expand their social network The core principles of this book originally written as a practical working handbook on human relations are proven effective Carnegie explains the fundamentals of handling people with a positive approach how to make people like you and want to help you how to win people to your way of thinking without conflict and how to be the kind of leader who inspires quality work increased productivity and high morale As Carnegie explains the majority of our success in life depends on our ability to communicate and manage personal relationships effectively whether at home or at work How to Win Friends and Influence People will help you discover and develop the people skills you need to live well and prosper

The Rest of Your Story Greg A. Lindsey, 2024-05-07 God never intended the Christian life to be boring empty or irrelevant In *The Rest of Your Story* Pastor Greg Lindsey takes us on a journey past forgiveness to freedom The journey starts with diving deep into our own stories so we can let go of the shame regret and pain that are holding us back Only then can we discover all the ways we need Jesus help and become people of godly passion who live out the true desires of our hearts Many of us find that despite our best religious efforts we re still chasing God s abundant life instead of enjoying it In *The Rest of Your Story* Pastor Greg Lindsey shows us why believing the right things or behaving the right way will never lead to our fullest life True spiritual growth happens when we journey with Jesus back into our stories *The Rest of Your Story* is a roadmap to what God wants our Christian life to be passionate joy filled fulfilling significant and freeing Along with his own vulnerable story of redemption Greg shares The dangers of knowing the significance of our sin but not the significance of our stories Ways our spiritual enemy uses our past to keep us from realizing our purpose The difference between living forgiven and living free Why the places we are most afraid to go lead us to the life we don t want to miss What you ve done and what you ve experienced is not who you are As you identify how your past is keeping you from experiencing Jesus abundant life you ll find that God can turn the deepest pain into your richest treasure

Good Day! Paul Batura, 2011-05-17 *Good Day* the critically acclaimed biography about the legendary Paul Harvey is now in paperback In this heartwarming book author Paul J Batura tells the all American story of one of the best known radio voices in history From his humble beginnings to his unparalleled career of more than 50 years with ABC radio Paul Harvey narrated America s story day by day through wars and peace through the threat of communism and the crumbling of old colonial powers through consumer booms and eventual busts
