Domestic and International Business Administration,1988 This is a directory of companies that grant franchises with detailed information for each listed franchise **Mergent Company Archives Manual** ,2005 **E-Commerce and V-Business** Stuart Barnes,Brian Hunt,2013-06-17 E Commerce and V Business examines the impact of the Internet and associated technologies on two related aspects of business electronic commerce and virtual organisation Using a combination of recent theory and empirical evidence it demonstrates how forward thinking organisations are reaping

considerable strategic advantage from exciting new business models in these areas Such models require radical rethinking of many aspects of traditional business The book covers many of the critical and contemporary issues stemming from these important new developments Manual of Mercantile Correspondence Christopher Vogel,1909 *The Nonprofit Manager's Resource Directory* Ronald A. Landskroner,1996-09-21 What kind of information and assistance is available to nonprofits on the Internet How do I find recruit place train and retain the best volunteers for my organization Which new regulations and legislation affect my organization Where can I find help for writing grant proposals Which funding programs should I know about and how do I contact them If you re a nonprofit manager you probably spend a good deal of your time tracking down hard to find answers to questions such as these The Nonprofit Manager s Resource Directory provides instant answers to all your questions concerning nonprofit oriented products services funding sources publications support groups and more Revised periodically to keep vital information up to the minute The Nonprofit Manager s Resource Directory Contains more than 2 000 detailed listings of both nonprofit and for profit resources products and services Supplies complete details on everything from assistance and support groups to software vendors and Internet servers management consultants to list marketers Provides information on all kinds of free and low cost products available to nonprofits The Nonprofit Manager s Resource Directory has the information you need to keep your nonprofit alive and well in these challenging times Assessment and Evaluation Financial Management Governance Human Resources Information Technology International Third Sector Leadership Legal Issues Management Marketing and communications Organizational Dynamics and Design Planning Professional Development Resource Development Volunteerism Franchise Law Firms and the Transformation of Personal Legal Services Jerry Van Hoy,1997-08-26 As lawyers legal scholars and academics throughout the social sciences debate the future of legal work and the legal profession itself they turn their attention inevitably to the rise of the franchise law firms Founded in response to the changing market for legal services franchise law firms have grown dramatically in recent years but at what cost to clients and lawyers alike This book focuses on how professional organizations and the related work experience are influenced by economics and the way various firms have excelled by mass producing a basic menu of services by placing their offices at strategic locations hiring inexperienced new law school graduates and using television and other hard sell means to attract clients Van Hoy s impeccable sociological research presented in a clear readable anecdotal style will be fascinating and useful reading not only for members of the legal profession and their academic colleagues but also for aspiring lawyers and their future clients Van Hoy shows that franchise law firms are a competitive innovation in the market for personal legal services an innovation that has served to standardize lawyers work and to dehumanize lawyers themselves Precisely because the work of attorneys can be standardized and mass produced a finding that may astonish some and dismay others attorneys may be even more alienated from their chosen profession than their clients suspect Van Hoy analyzes these matters and captures the broader context in which prepackaged firms operate indeed he compares

franchised attorneys to lawyers in different types of firms who are also competing for the same business Van Hoy is convinced that many attorneys are not only alienated but are ripe for unionization He shows that collegiality no longer insulates attorneys from the pressures and dissatisfactions of the outside world a research finding that in itself may seriously challenge prevailing viewpoints and shake confidence in the belief that legal work is not just a profession but also a calling
