**Katherine Anne Porter and Mexico** Thomas F. Walsh, 2014-01-09 In 1920 an unknown journalist named Katherine Anne Porter first sojourned in Mexico When she left her familiar country for the last time in 1931 she was the celebrated author of *Flowering Judas* and *Other Stories* and had accumulated a wealth of experiences and impressions that would inspire numerous short stories essays and reviews as well as the opening section of her only novel *Ship of Fools* In this perceptive study of Porter s Mexican experiences Thomas Walsh traces the important connections between those events and her literary works Separating fact from the fictions that Porter constantly created about her life he follows the active role that she played in Mexican political and intellectual life even to the discovery of a plot to overthrow the Mexican government which eventually figured in *Flowering Judas* Most important Walsh discerns how the great swings between depression and elation that characterized Porter s emotional life influenced her alternating visions of Mexico In such works as *Xochimilco* Porter saw Mexico as an earthly Eden where hopes for a better society could be realized but in other stories including *The Fiesta of Guadalupe* she depicts Mexico as a place of hopeless oppression for the native peoples Mexico Porter once said gave her back her Texas past Given the unhappiness of that past her feelings toward Mexico would always be ambivalent but her Mexican experiences influenced all her subsequent works to some degree even those pieces not specifically Mexican in setting Walsh s study then is an essential key for anyone seeking greater understanding of the life or works of Katherine Anne Porter
