**Passport Diaries** Tamara Gregory, 2005-08-02 Kia Carson thinks she knows exactly what she wants in a relationship As a child she saw it every time she watched her father smell her mother's hair as her mother tenderly affixed his cuff links in the mornings before work or when her father in loving return lightly tapped her mother's bottom as she walked away But despite her old fashioned romantic notions the best Kia can manage these days are booty calls with delectable but vacuous L A men At least she has her career Her energy and idealism as an assistant D A have won her respect and admiration and in the case of Drew a handsome funny and considerate white coworker something much more But before Drew can express his true feelings a run in with her boss gets Kia suspended from her job Her best friend Maya suggests a European vacation to help get her head and heart together Hesitant at first Kia soon sees that nothing or more to the point no one is really keeping her in L A so she opts for the adventure of a lifetime Kia packs up her things inhales then exhales and finally takes flight alone *Passport Diaries* is a wonderfully assured debut Smart original and laugh out loud funny it's an irresistible lighthearted read Gregory is a refreshing new voice and offers up a brightly told story with surprising reservoirs of depth *Ebony*, 2005-12

lovely volume **A BAND AT SEA** Before you say you're going to leave this band before you say that playing covers is musical prostitution before you say that every creative cell in your body has been destroyed by our 80s medley of Bros and A Ha songs before you say you hate our choice of tunes so much that you're tempted to not listen to another piece of music ever again before you say you'd rather be dead than play another 50th birthday party gig don't forget this band is all you have Alex 41 He's lost his flat his girlfriend his parents and his dignity Still at least he's got his bandmates yes It's just a shame one of them doesn't talk and the other one has forced them to play a six month residency in the middle of the sea A fast paced comedic tale about ambition love and why being in a band is the greatest thing ever Contains plenty of swear words and **HAVE YOURSELF A RIDICULOUS LITTLE CHRISTMAS** Robert a struggling mid management executive really really gets excited by the magic of Christmas His wife no longer loves him his favourite adopted uncle has died and a man he was in charge of has been eaten by a fox at a conference in Banbury Still by Christmas Day everything will be fine yeah A delightful warm short festive tale about the tingling sensations of all things Yuletide It does contain a little swearing but not too much Basically it's really lovely but not a fairytale or anything so not for the kids and Paul wrote it in 2014 so it does reference the Queen's speech and the iPhone 6 [Black Newspapers Index](#) ,2007 **Passport Diaries 9c Fd** Tamara T Gregory,2005-08-01 *A World of Lost Innocence* Nicola Darwood,2012-04-25 Elizabeth Bowen was a prolific writer her publishing career spanned five decades and during this time she wrote ten novels over one hundred short stories and countless reviews and journal articles While earlier novels are now acknowledged as Modernist texts her later novels can be read through the lens of postmodernism they can be considered variously as romantic fiction marriage novels war time spy thrillers and psychological drama but throughout her novels she consistently questioned notions of identity sexuality and the loss of innocence *A World of Lost Innocence* The Fiction of Elizabeth Bowen offers a reading of Elizabeth Bowen's fiction which focuses specifically on this loss foregrounding the psychological conflicts experienced by her protagonists It examines the subject not only across the range of her fiction but also in relation to her unfolding narrative structures through a chronologically based discussion of her novels and selected short stories interwoven with biographical information and drawing on unpublished letters This book investigates the dominant kinds of innocence that Bowen represents throughout her fiction the innocence attributed to childhood sexual innocence and sexual morality and political innocence and argues that the transition from innocence to experience plays an important role in the epistemological journey faced both by Bowen's characters and her readers **How to Read a Novel** John Sutherland,2013-12-10 Do we still know how to read a novel John Sutherland Chairman of the 2005 Booker Prize Committee asks His disheartened answer is an unequivocal No But Sutherland has not given up hope With acerbic wit and intellect he traces the history of what it used to mean to be well read and tells readers what it still means today Using this delightful book as a means to an end he reminds readers how the delicate charms of fiction can be at once wonderful and inspired and infuriating On one level this is a book about novels how

they work what they're about what makes them good or bad and how to talk about them At a deeper level this is a book in which one of the most intimate t t e t e s is described one in which a reader meets a novel Will a great love affair begin Will the rendezvous end in disappointment Who can say In order for the relationship to take its appropriate course all the details must be clearly acknowledged and understood for their complexities plot point of view character style pace first and last sentences and even beauty Still Sutherland knows a true understanding of fiction is more than a flirtation with text and style it is a business Taking his readers on a trip to the bookshop he helps them judge a book by its cover based on design and color wondering aloud what genre might be best even going so far as to analyze one of the latest American bestsellers to further help the buying reader choose the novel that is right for him or her In a book that is as wry and humorous as it is learned and opinionated John Sutherland tells you everything you always wanted to know about how to read fiction better than you do now but were afraid to ask **Braille Book Review**, 2007-05 **The Literary Digest International Book**

*Female Gothic Histories* Diana Wallace, 2013-03-30 *Female Gothic Histories* traces the development of women's Gothic historical fiction from Sophia Lee's *The Recess* in the late eighteenth century through the work of Elizabeth Gaskell Vernon Lee Daphne du Maurier and Victoria Holt to the bestselling novels of Sarah Waters in the twenty first century Often left out of traditional historical narratives women writers have turned to Gothic historical fiction as a mode of writing which can both reinsert them into history and symbolise their exclusion This study breaks new ground in bringing together thinking about the Gothic and the historical novel and in combining psychoanalytic theory with historical contextualisation *Cold War Radio* Richard H.
