Pastoring With Elders:

Pastoring with Elders Kevin Mahon, 2012-07 Kevin is a preaching elder in an Associated Gospel Church in Canada AGC. Their elders have had a growing influence on other congregations and have frequently been asked to share their effective shepherding elder model. So how do you grow elders? Many pastors are looking for another program or quick fix to accomplish this end. However, the answer is rooted in the theology of ministry and the need to focus on the biblical mandate given to pastors rather than the tyranny of expectations inherent in pastor-led churches. This book is designed to help senior pastors walk through a process of deconstructing their understanding of pastoring and redirect them to a focused ministry within a plurality of shepherd elders. About the Author: Kevin Mahon has been the preaching elder at Peoples Church Sarnia Lambton since 1999. At the age of thirteen, he made a bargain with God and promised to become a priest. He and his wife were born again during their university days and joined the priesthood of all believers. God was faithful in shepherding that youthful promise made by Kevin, who now makes his living from the Gospel as a preaching pastor. Kevin's heart is for the local church for preaching God's Word and for growing men as disciples of the Lord. He has been married to Charlene for twenty-six years and has five children and a daughter-in-law.

Pastoring with Elders: Together we Make One Really Good Christian Kevin Mahon, **Church Elders** Jeramie Rinne, 2014-04-30 Effective leadership is important. Nowhere is this more true than in the church. Jeramie Rinne offers readers a concise overview of the Bible's teaching on spiritual leadership, setting forth an easy-to-understand job description for elders that is focused on enabling pastors and church leaders to effectively shepherd their congregations. Giving practical guidance to new elders and helping church members better understand and support their spiritual leaders, this conversational book emphasizes purposeful ministry rather than project management. It will also bolster leaders' confidence by encouraging them to embrace their pastoral calling with grace, wisdom, and a clarity of vision.

Pastors and Elders Timothy J. Mech, 2012-02 Who is in charge? What are elders responsible for? How can we build trust between the pastor and elders? How can we hold one another accountable? If these questions sound familiar, it's because every church struggles at times with knowing how to foster a healthy relationship between pastors and elders. The relationship between leaders in the congregation is an important factor in the well-being of the church. A twenty-one year veteran of the pastoral office, author Timothy Mech defines the roles and responsibilities of each position, outlines where authority should lie, and provides recommendations of how to build trust and accountability within the congregation. This training manual includes discussion questions at the end of each chapter along with helpful resources such as sample meeting agendas, reports, templates for congregational letters, and much more. Together with the companion DVD *Pastors and Elders*, provides the Lutheran congregation with strategies for leaders to work effectively as a team for the sake of the Lord and His Church.
